### Otto Graham, Stan Koslowski Top Candidates

Fifty-five football candidates, including two of the finest backs in the nation last year, are working out daily on Emerson Field as the Cloudbusters make ready for their opening game of the season against the Cherry Point Marines here on Sept. 24th.

Heading the list of prospective candidates are Otto Graham, the famous All-American football and basketball star at Northwestern last year, and Stan Koslowski, who played at Holy Cross in 1943 and who was the leading scorer in the East.

There are other stars around, especially in the backfield department. See FOOTBALL, page 4

### 53rd Battalion Wins Regimental Competition

Forty points behind the 57th Battalion when the Sports Program competition got underway on Wednesday night, the 53rd Battalion scored a total of 117 points to win the regimental competition for the past two weeks.

Of the five battalions in competition, the 53rd had four teams in the finals and they won three of them. In wrestling they defeated the 55th, 37 to 24; in boxing they won over the 56th, 9 to 8, and in swimming they bettered the 56th, 59 to 20. Only in soccer were they defeated, and it took the 55th one overtime period to win, 3 to 2.

In the other sport—track—the 54th won over the 55th, 52 to 35.

Other than competition in the Sports Program, the 57th, latest addition to regimental competition, set the pace. They were tops in military with first place and 75 points, and also led the way in academics in the same manner. In class athletics they were third, registering 25 points, and giving them a 25 point advantage over the 56th which entered the sports competition with 150 points. The 53rd registered 135 points in military, academics and class athletics, the 55th 45, and 54th none.
