

Slow---Men At Work

(Above) Left to right: Reading (which is against the rules) is Dr. Raby; with back bent and head bowed is Jim Simmons, Jr.; the camera-conscious paper picker is Joe Eagles; the big man with the broad base is Dr. McDowell, and the red head with the goose step started is Dail Holderness.

(Below) The solemn stooge who has his face right in the camera is Sam Williams. The segar smoker is Bill Davis, the seated executive is Bill Ausbon and smiling Regi Fountain makes it a full house.
