## HIGHLANDS SCHOOL OFFERS COMMERCIAL COURSES

Prin. F. N. Shearouse has announced that Typing and Bookkeeping will be taught in the Highlands School. French will be taught as usual; however, students may elect typing or bookkeeping as a substitute for French. Also it will be possible for 9th and 10th grade boys to take a course in Health and Physical Education. As in other other subjects, a full unit of credit will be given for each of the following: typing, bookkeeping, home economics, and health-physical education. It is desirable that the patrons of the Highlands School learn about these added subjects. Beginning on Wednesday, Aug. 20th, Mr. Shearouse will be in his office at the school building from 9:00 to 12:00 and from 1:00 to 3:00 every week day except Saturday. He will welcome visits from all who wish to come.

## LECTURE AT MUSEUM

The last lecture in the Highlands Biological Station's Twenty-Fifth Anniversary Series will be given Thursday, August 21, at 8:00 p.m. by Dr. Eugene P. Odum, Department of Biology, University of Georgia. Dr. Odum's talk on "Birds and the Land" will be illustrated with kodachrome slides. The Public is invited.

## DR. McCARTY DIES

The many friends of Dr. S. L. McCarty will regret to learn of his death in a hospital in Weindermere, Fla. August 16th. Dr. McCarty was the father of Mr. Sidney McCarty of Highlands.

## NEXT WEEK

Next week's issue of the Galax News will be the final issue for this season. Next week's paper will be the ninth issue of the season.
