18 HOLE GOLF COURSE

Nationwide publicity by the Associated Press and other news agencies is being given to the development of a new 18 hole Championship Golf Course, known as Sapphire Valley Country Club. It is a twenty minute drive from Highlands. The news was broken to the press this week by Frank B. Cook of Highlands, who handled the Real Estate transaction.

The developers of the project have not been announced but Gene Howerdd, Jr. of Augusta, Ga., Captain of the Georgetown University Golf Team, acting as spokesman for the group, confirmed the sale and purpose. Howerdd mentioned that Robert Trent Jones, internationally famous golf architect, has examined the property personally and was very enthusiastic about the prospects.

Work will begin soon on this project, Howerdd said, and that this will be a semi-private club devoted to family entertainment facilities as well as a top golf course layout.
