

OUR BEST WISHES

To Mr. C.E. Mitchell On The
Completion Of The Mitchell Building

CLEVELAND BROS. CO.

We Are Proud To Have Done The
Electrical Work On This Building

FISH FRY HELD

A fish fry was given by Mr. and Mrs. Edward Potts at their home on Fifth Street Thursday Night, of last week. Invited guests were the employees of Highlands Cleaners and Laundry together with members of their families. About thirty attended. Brook trout were served.

NEW WELL PUT INTO SERVICE

The Town of Highlands recently put into use a new well on 3rd street. This well will produce approximately 45 gallons of water per minute. This is the fifth well that the town has drilled and is the best producer to date.

IMPROVEMENTS

Improvements have been made on Spruce and Hickory Streets, including much culvert construction.

The patching program of street surfacing has been going forward. More of this has been necessary this spring than normally due to the severe winter weather.

A new water line has been laid down Cullasaja Drive.

The power line on the Dillard Road has been rebuilt and improved recently.

Approximately twenty people from Highlands attended the Cardiac Clinic held by Dr. Ralph Siler Morgan, of Sylva.

THE LAUGH OF YOUR LIFE-TIME!
All the rowdy romance and hi-jinx of the boisterous best-seller are on the screen!

DON'T GO NEAR THE WATER

M-G-M presents it in
CinemaScope and METROCOLOR
