

*The sweet perfume of a woman's hair,
the bitter stench of cordite on the shell-pocked ground,
the soft warmth of a lover's arms, the raw,
frozen hell of the Russian Front*

*a tiny gold locket on a silk pillow case, a broken crucifix
lying in the snow, the pounding of two hearts in passion,
the thunder of angry men at war...all these things tell the story
of Ernst and Elizabeth who found a time for love...*

The great love story of World War II by the author of "All Quiet on the Western Front"
