**HCH BOARD OF TRUSTEES
THANK DR. KOEPP-BAKER**

Dr. Herbert Koepp-Baker will leave an unfillable void in the Hospital Board of Trustees but his accomplishments will not soon be forgotten.

The Board would like to pay its respect and homage to him. His competency in organizing, his influence, his understanding, his patience, his confidence and his basic knowledge of our problem has created a healthy atmosphere for our hospital. He has taught us much. We can only promise to keep the faith and continue in the general design he formulated.

Publicly, we say sincerely, "Thank you, Dr. Koepp-Baker."
