## NSF OFFICIAL VISITING STATION

Dr. Robert Coon, Facilities and Special Programs Division of the National Science Foundation, arrived Wednesday to visit the base camp the Station maintains in the gorges. Dr. Coon represents the division of NSF which is supporting the research in the gorges of southeastern escarpment of the Blue Ridge Mountains, under the direction of the Highlands Biological Station.

## ATTITUDE

by Rev. Gale D. Webbe

The universe could have been a mean and wizened thing--a cramped, flat, colorless and grudging prison. It isn't. The Creator flings it out, far and wide, with a lavish hand: blazing with stars, teeming with flowers, blazing with rainbows, sparkling with lakes, crashing with cataracts, tinkling with birdsong, endless with hills beyond the farthest horizon. Magnificence is at the heart of the universe. Magnanimity, generosity, bounty, is clearly the attitude of the Creator. Magnanimity, therefore, is the attitude of those most in tune with creation.

Attitude toward life is everything. The identical raw material, the same inescapables, come to all (CON'D ON PAGE 16)

The Annual Square Dance Festival is tonight at the Highlands School auditorium beginning at 8:30. This should be a "really big" event, with some of the best mountain square dance teams, as well as the famous Cathedral Bell Ringers, scheduled to perform. Prizes will be given away, too. . . . So plan to attend this entertaining event.

The Festival is a project of the Highlands Chamber of Commerce to raise funds for the printing of a new brochure of the Highlands area.

## BREVARD MUSIC CENTER ORCHESTRA TO PERFORM HERE MONDAY, AUG. 19

The Brevard Music Center Orchestra will present the second performance of the season in Highlands this Monday night, August 19. Some of the finest music and musicians will be on hand to make this occasion a most rewarding and enjoyable one. Beverly Wolff, mezzo-soprano, and David Lloyd, tenor, will be the soloists. Dr. James Christian Pfohl will conduct.

The performance, which will be given in the Highlands School auditorium, will begin at 8:15 p.m.
