HCT BUSTLING WITH ACTIVITY

Anyone who ventures up the hill to visit the Highlands Community Theatre will see a busy crew of actors and technicians getting the Highlands' theatre building ready for the first production of the summer. The play, an old-fashioned "meller-drammer" entitled "Only an Orphan Girl," will mark the opening of the Highlands Community Theatre's thirtieth season.

Reservations are now being accepted for the gala opening night performance and the three remaining performances Friday and Saturday, July 18-19, at 8:30 p.m., and Sunday, July 20, at 2:30 p.m. by calling 526-2695.

Board members of H. C. T. are urging everyone to attend the opening night in costume. The play is set in the Gay 90's, but audience members may wear costumes from all eras. The cast of "Only an Orphan Girl" includes Highlands resident Bob Vinson and summer visitor Kitty Bryan. (CONTINUED ON PAGE TWENTY-ONE)

ARE WE LOSING OUR LIBERTY?

-- BY REV. H. L. STEWART

What is liberty? Webster's definition: "Exemption from slavery, bondage, imprisonment or control of another, etc" Prohibitionist on meeting a drunk: "My friend, you are in a pretty bad condition; hadn't you better go home and get sober before some harm comes to you? I'll go with you."

Anti-prohibitionist: declaring promptly; "No, sir; I'm ag'in you; I'm for personal liberty;" and on he went toward full enjoyment of his freedom. He loved his liberty, to go when and where he pleased, when not trespassing upon the rights of others.

The liberty of the debauchee should be abhorred. The debauchee who invokes the law of the land to support his insult and injury to the moral sense and aspect of the community. It is the libertine which plays the leading part in corrupting youth, under the sacred plea of personal rights. There is no such thing as liberty or freedom (CONTINUED P. 12)
