(ROPER-VINSON WEDDING, CONTINUED FROM 19)

The reception which followed at the church fellowship hall was attended by many out-of-town friends and relatives of the couple. The bride and groom especially welcomed her paternal grandmother, Mrs. Bertha Roper, and her maternal grandfather, Mr. A. B. Potts, both of North Carolina.

The four-tiered wedding cake was encircled with icing of white doves and roses, resting upon a base surrounded by fresh white daisies, entwined with fern. It was topped with a traditional bridal couple, standing beneath a pure white bell, enclosed in a lacy dome.

Pre-wedding festivities included a dinner for the couple, family and friends, given after the wedding rehearsal by the groom's parents, Mr. and Mrs. Harold Vinson, in the Lord Fairfax Room of the Mosby Inn, Fairfax.

After a wedding trip through the south, the couple will be at home in West Palm Beach, Florida, where the groom is employed by Pratt-Whitney Aircraft Corporation, and is a student at Palm Beach Junior College.

(HOSPITAL BAZAAR, CONTINUED FROM PAGE 1)

The Extension Homemakers Clubs of Highlands and Scaly Mountain with Mrs. James Brown and Mrs. Jack Cabe as chairmen have made baskets and will have bake goods for sale. The Highlands-Cashiers Garden Club with Mrs. Kent MacGregor as chairman will sell plants and garden fresh vegetables. Various members have been making handy denim bags with gay decorations. Donation tickets are available from members for a full sized green and gold afghan and a pink baby cover. The drawing will be held Saturday morning. It is not necessary to be present.

The Hospital Auxiliary will sell stuffed toys and knitted items and will feature a child's quilt with appliqued animals made by the Horse Cove women with the help of Mrs. Lewis Dendy, Highlands area co-ordinator of the Macon County Program for Progress. Mrs. Everett Meade has donated a brown, blue and green afghan. Decorative wool pompoms to put on purses, hats, etc., were made aboard the MS Kungsholm on a South Pacific cruise last winter. Mrs. James O'Brien was making them and soon had a class of interested passengers who donated theirs knowing they were for this bazaar. So our hospital is known throughout the Pacific (CON'T 21)
