"THE HELL WITH HEROES"

An exciting romantic action drama
from Universal, "The Hell With Heroes,"
playing Thursday, July 24, at the GALAX
THEATRE, stars Rod Taylor and Claudia
Cardinale and co-stars Harry Guardino,
Kevin McCarthy and Peter Duell. A Tech-
nicolor production, the story deals with
a precarious air cargo service that be-
comes involved with smuggling in libera-
ted Europe and North Africa following
World War II.

In "The Hell With Heroes" Taylor is
a would-be teacher who has served as a
pilot with the 8th Air Force and finds
himself operating an air cargo service
based in Oran, Algeria. In order to keep
his less than profitable venture afloat
he resorts to dealing with Guardino, a
notorious smuggler.

Miss Cardinale, the curvacious Ital-
ian beauty who made her Hollywood debut
in Universal's "Blindfold," portrays a
war-displaced member of an aristocratic
family who has fallen on hard times and
now lives as Guardino's mistress.

As an American who pursues the fast
buck, Guardino is a wanted man by the
police of many countries, but eludes ap-
prehension through every stratagem in-
cluding bribery and murder.
