PLANS FOR DR. PATE'S OFFICE BUILDING NEAR COMPLETION

Plans for the construction of Dr. Pate's new office are nearing completion. The design by Robert Opsahl Architectural Firm will be a spacious, modern building of Redwood and native stone located on

Fifth Street across from the Highlands-Cashiers Hospital. The building will contain ample, comfortable waiting and examining rooms in addition to a fully equipped laboratory and X-ray facilities. It will also have a porte-cochere entrance. This covered entrance will keep patients from having to expose themselves to bad weather. The completion of the building will fulfill many dreams of both Dr. Pate and her many friends and patients

To the Editor of The Galax News:

As chairman of the Edwina Summer Memorial Committee, and on behalf of the Presbyterian Church, I wish to express my appreciation to those who have contributed so generously to the fund to secure the chimes that have been installed in the Presbyterian Church. The chimes are being played twice daily on a Demonstration Basis for two weeks; however, a contract has been signed to purchase the chimes and will be installed on a permanent basis when the cost of the chimes has been raised. DEAN BROWN AND MARY FERGUSON TO STAR IN "SEE HOW THEY RUN" AUGUST 28-31

Actor Dean Brown will star in Philip King's farce-comedy "See How They Run" next Thursday, August 28, when the Highlands Community Theatre opens its final offering for the current season. The funny, fast-moving comedy has broken box-office records wherever it has played, and director Michael Hall anticipates excellent attendance in Highlands. Frank Bennett is designing sets and costumes for the production. Featured opposite Mr. Brown is staff actress Mary Ferguson (CON'T 15)
