

Revival services will be held beginning Monday night, August 24 in the First Baptist Church in Highlands. The 30th Revival Services will begin each night at 8:00 p.m.

The Reverend Jack Ward, pastor of the First Baptist Church of Clarksville, Georgia will be the evangelist. The public is cordially invited and a nursery is provided for small children.

Some are saying revivals are a thing of the past. Let no one deceive you. But if this be true, why is it? It is not because God has changed, because he is the same yesterday, today, and forever. No one can truthfully say revivals are a thing of the past. But it is easier to school ourselves to regard it as of little worth than to claim it as our own. Just as there are parents too selfish to desire children, even so there are churches that are too selfish to desire spiritual revival.

A revival of religion is needed. A revival always begins, not by the gathering in of those outside the church but with the deeper consecration of those within. Any church, therefore, that would experience a revival must repent.
