

A. C. C. ENDS SUCCESSFUL BASKETBALL SEASON!

ATHLETICS

WIN 10; LOSE 5.

A. C. C. BASKETEERS CONCLUDE SEASON: HANG UP MOST ENVIABLE RECORD.

Leading the last game of the season to the strong Richmond "Y" team at Richmond in an extra period the "Little Christians" basketball squad, under the direction of Coach "Pea Head" Walker, who is rounding out his first year as athletic director at the local school, ended the most successful season in the history of the school.

The locals, playing a total of 15 games, won 10 and lost 5. They suffered their first reverse at the hands of the Rocky Mount "Y" quint, before Christmas, the squad not being in the best of condition due to the short period of practice. The other defeat came at the hands of N. C. State, last year state champions. The other loss in this state came at the hands of Wake Forest College who is deadlocked with Carolina for state honors this year. The last defeat was handed the "Little Christians" by that same Richmond "Y" team, who first defeated the "Christians" on their North Carolina tour.

The "Fighting Christians" played with more accuracy and determination in the games against other members of the "Little Five." It was this desire to win that enabled the local team to come from behind to pile up the score on the Lenoir-Rhyne five. In the last three or four minutes of play the Walkerites by a wonderful "come-back" scored 12 points to take the game out of the last column. The championship of the "Little Five" College was given to A. C. College, leaving no room for questions, as a result of victories over High Point College, Lenoir-Rhyne, and two over Gullford. The "Mountain Stars" were outfought on their court, the "Quakers" lost on their court as well as the Wilson floor, the High Point Panthers suffered defeat in Wilson and of their own accord avoided the game scheduled for their court. Elon, the only team not played by the "Eastern Team," failed to find a place in "their overcrowded schedule" for A. C. C.'s quintet.

The local team by supporting higher class basketball failed to develop individual stars, but on its team one finds the highest scorer of the "Little Five" players and some of the best defensive men. It was the unusual smooth floor work and team play that enabled the "Eastern College" to win the place that it now holds in the athletic world. And, were the "Big Five" Colleges not unwilling to give the "Little Christian" an equal chance by visiting the basketball floor in Wilson, it is evident that Atlantic Christian College could lay claims to higher honors.

ANOTHER DARK HORSE.

The "dark horse" is characteristic of the various competitive contests. This "dark horse" term has been mysterious. What is really meant by the "dark horse" expression was not known until a few nights ago, when

"THE TEAM"

FULGHUM.

A sturdy cog in A. C. scoring machine, rolling up a total of 151 points for the season. He has proven his ability to defend the corner as guard on the court for the "Champs".

MUNN.

A strong, fighting forward that carries himself in a perfect manner over the floor. He is the second in order for high scoring, even though he never plays for score honors. He registered a total of 91 points. Also was Captain of the team.

BRINKLEY.

With a fractured elbow, people did not think "Brink" could do it, yet he showed them. He was a star of the court playing a guard equal to the "big boys" of the state. He has credited for a total of 41 points.

DUNN.

"Sore Head," the sensation of A. C. C.'s athletic world, never fails to draw the crowds. Roy is one of the best guards of the state, also without doubt the best all round athlete that ever hit the campus. He tallied 20 points for the court season.

WHITLEY.

Some didn't think "Shang" could do it, but he did. Although not a regular for the whole season, he came out with 47 points to his credit. He was a star in some of the important encounters.

JONES.

Somewhat small but not so slow, Jones proved himself a most promising forward. He came from the past season with a total of 20 points on his string.

RIGGAN.

Fast and anxious "D" skids the floor in a very pleasing manner. He kept out from last year at his post at forward. He came through the season with a charge of 45 points to his credit.

REEL.

Manager Reel carried the Little Christians through most pleasingly. He was in uniform during the whole season, and played a part of several games.

In addition to those mentioned above are others who deserve mention for their support of the team. Boykin, McCaskill and Hill are recognized as a part of the College court. In them are some of the promising material for the future.

"LITTLE CHRISTIANS" DEFEAT RICHMOND'S "BEST"

CLOSEST GAME OF SEASON.

GRAYS GO DOWN IN DEFEAT AT HANDS OF "LITTLE FIVE" CHAMPS.

A sensational Christian rally in the final half of the first game of the trip to Richmond, with the Grays, turned defeat into victory and Coach "Pea Head" Walker's Blue and White possessors chalked up their tenth victory of the season.

The spectacular Christian rally was featured by the entire Christian team who lived up to their title of champions of the "Little Five." The last half rally ended with the "Little Christians" barely possessing the large end of the 27-26 score.

The contest got under way with both teams struggling for the initial lead, but four minutes of play elapsed before the Christians found the basket for the first score of the game; this being followed by another double-decker before the Grays could find themselves. The score saw-sawed back and forth during the entire first period, and at half time the score was deadlocked at 11 all.

The final and deciding half got under way exactly like the first. The Christian hit their stride, passed, and dribbled around their opponents until the pistol ended the game; the score standing at 27 to 26 in favor of the "Little Five" champs.

The line-ups and summary follows:
A. C. C. (27) Richmond Grays (26)

CAMPAIGN ADVANCES.

PRESENT ACTION CENTERS AROUND ROCKY MOUNT AND NASH COUNTY.

The loyal supporters and students of Atlantic Christian College shall soon look upon what will appear to be a new school shining forth in its glory. This will remind us of the present campaign and its progress step by step, county by county.

The success of the campaign man organizations and many individuals deserve much praise. The directors as well as the committees are doing excellent work. Too, cooperation of the church is responsible for part of the success. Also the work of the college should be commended. The great work of the campaign and the college is dependent upon President Hilley. Too, the students and many members of the faculty aid in the work of the campaign, especially at the banquet meeting that begins each week's canvass. The "pep" girls have attended and sung to create the proper refreshing atmosphere at the many important meetings. Last Monday night, March 7, they were in Rocky Mount to give the crusade a big "send off" in Nash and Edgecombe counties, where it will be in full force during the week.

During the two weeks following the initial meeting at Greenville the counties surrounding and including Pitt and Nash were covered. Here practically \$68,000 were raised in cash and pledges. This added to the \$100,000 donated by Mr. J. W. Hines makes a total that slightly exceeds the half-way point on the program which has as its aim \$300,000. The most important factor promoting success hasn't been mentioned so far—this is the "Givers." It is by their donations, often at a sacrifice, that the campaign for funds to support a more efficient educational institution is made possible. It is to them that our greatest appreciation is extended.

LIFE.

It is necessary that a definition of "life" be adjusted to the individual; to the drunkard it is just one drink after another; to the salesman, it is one sale after another; but to the student, it appears to be one snooze after another.

Seven: I think I'll go to sea.
Eleven: Why can't you see here?

SOCIAL EVENTS

INTERESTING MEETING HELD DIXIE FORENSIC CLUB.

On Friday evening, February 18, the members of the Dixie Forensic Club assembled to honor the regular meeting hour. The business meeting coming first, new officers for the year were elected as follows: President, Leroy Harris; Vice-President, Helvin Sturling; Secretary, Cecil Jarman; Program Committee: Clyde Braden, Walton Thompson, James Lawson; and Critic, Professor Grim. The special committee reported that it was impossible to plan anything so extensively as to consider inter-collegiate debates during the present semester since it is too late and also, within the school, the debate schedule is full. Yet with a successful debating club for the present year, the outlook for next year is bright.

After the business meeting had been completed, an extemporaneous debate was given. J. T. Forest and John Winfield upheld the affirmative, and H. Leroy Harris and Robert Grady argued the negative. This was a very interesting debate, having as a topic a subject of much importance: "Resolved, that Atlantic Christian College adopt a system of self government. This debate aroused so much enthusiasm that the club resolved to attempt to find the constitution produced last year or try to reproduce it. The installation of student government was informally accepted as one of the definite aims of the Dixie Forensic Club.

INTER-SOCIETY DEBATE MARCH 17

The annual inter-society debate will take place in the college auditorium Thursday evening March 17. The annual debate is one of the outstanding affairs of the school year. The occasion is a manifestation of enthusiasm and rivalry between the two societies. The sisters of the literary world are already unfurling their banners and lining up the pep which will be displayed with a most brilliant form of loyalty.

Many of the alumni and friends of the students are expected to be present on this very auspicious occasion. The public is invited to attend the debate between Misses Hesperian and Alethian Societies.

The debaters are:
Hesperian: Miss Mildred Petway, Mr. James Lawson.
Alethian: Miss Inez Barefoot, Mr. John Winfield.

DEPARTMENT OF EXPRESSION GIVES TEA.

The expression department gave a delightful Tea in the Dramatic Club room February 26. The participants were members of the class in expression, under the auspices of Mrs. W. A. Lucas, head of the department. The room was very beautifully decorated with ferns and blooming plants which rendered a very effective taste to the occasion.

Tea was poured by Miss Mary Mattox, and sandwiches were served by Misses Esther Cobb and Margaret Silverthorne.

The following program was given:
Reading—"Homey" by Edgar A. Guest—Miss Esther Cobb.

Reading—"Merry Christmas"—Miss Mary Mattox.

Play—"Minikin and Maunkin"—Misses Heberta Stuckey and Dorothy Taylor.

A number of invited guests enjoyed the program and the hospitality of the class.

Mary Mattox: "You're not a bit polite."

Harvey U.: "How so?"

Mary: "Every time I tried to say a word at the football game, you would shout, 'Hold that line!'"
