

Dr. Pritchard Gives Series Of Lectures To College Students

PUPULAR WITH STUDENTS

Lectures Part of Religious Emphasis Week Which is Featured At A. C. C.

A. C. College has the distinction of having had Dr. H. O. Pritchard in a series of addresses this week. Dr. Pritchard is a prominent educator, former Eureka College President, and now secretary of the Board of Education of the Disciples.

The main theme of the daily addresses were around what one today can believe about fundamental religious and philosophical questions.

Tuesday morning—what can we believe today about God? Tuesday evening—what can we believe today about the Kingdom of God? Wednesday morning—what can we believe today about man? Wednesday evening—what can we believe today about Christ? Thursday morning—what can we believe today about immortality?

Dr. Pritchard is a penetrating thinker and a convincing, impressive and thoughtful speaker. He is a former president of Eureka College, one of the institutions of higher learning maintained for and by the Disciples, and has given his whole life to furthering the cause of education.

As secretary of the educational work of the Disciples he has for many years assisted Christian Colleges in their stage building campaigns and other improvements in their curriculum.

Last year he was on the local campus for the better part of a week, during which time he assisted in getting the physical improvement campaign of the College organized and introduced to the public.

He delivered the educational address before the Disciples Convention in Greenville last Thursday night, delivering an impressive summarization of the most important social and economic changes of the last century which have brought about the present uncertain and unstable condition of our social order.

The address delivered by Dr. Pritchard seemed to have been prepared for a Wisconsinian that attended the convention which was held to inaugurate a new education at the University of Wisconsin and inaugurate the new era of the Disciples.

CUPS AND AWARDS GIVEN THIS YEAR

Four Awards Made To Organizations, Seven To Individuals

Eleven awards and cups for leadership, outstanding ability and achievement are being offered students of Atlantic Christian College this year, according to a list recently announced by President Howard A. Hilly.

Four of the awards are made to organizations, the remaining seven going to individuals who excel in a particular field of college activity.

The Denny Cup is given to the literary society who presents throughout the year the best programs. This cup has been won by the Hesperian Literary Society for the past four years. The Williams Cup is awarded to the literary society winning the annual inter-society debate staged in March. The Alethian Literary Society has won this cup for the past eight years. To the society having the largest number of returning alumni on debate night is awarded the alumni annual debate attendance cup. The Hesperian Literary Society had more alumni present last year. Sigma Alpha Fraternity awards a cup to the organization on the campus having the best scholarship record for the year. Phi Sigma Tau received it for the year 1933-34.

The Kilwins Cup is awarded to the individual judged to be the best all around athlete. The cup is offered for the purpose of fostering clean sports and good sportsmanship in athletics. The winner of this cup last year was Mr. Eldon Rogers. The Denny Essay Cup is presented to the student who writes the best essay on the college motto, "They Shall Have the Light of Life." Miss Mabel Cherry, Rocky Mount.

The menace of propaganda was the subject of a lecture given by Professor Howard Jensen of Duke University Tuesday evening, November 6 in the A. C. auditorium.

COLLEGE HAD NEW FEATURE IN CAMPUS

MILLARD BUTT, DIRECTOR

Conservation of Musical Ability Purpose of Band.

The opening of the college year saw an added feature to the college functions. To music talent on the campus has been sadly neglected and with it organization of the band there was the realization to the dream of all music lovers as outlined to the student that was so obscure to the title.

With only about two months behind the band developed into an able and effective machine. It is at its helm Ward Butt, graduate of the H. M. Morse High School, Raleigh.

To date the band has made only one public appearance but the future holds in store for its numerous engagements on the campus and various other parts in Eastern North Carolina.

The band is only of concert nature but has as its purpose, to stimulate a healthy school spirit in athletics and other intercollegiate functions.

Members of the band came from numerous localities. The clarinet section is composed of Beverly Burrage, Rocky Mount; George Dixon, Plymouth; Sue L. Davis, Winston-Salem; Priddger Barnes, Elm City; Curtis Todd, West; Duval Laugh-Inhouse, Elm City; and Pat Grey, Clinger, Penna. Up to the cornet division. In the section is found Marsh Knott of Havel, baritone and Hassel Gurney, Sticks, bass horn. Ed. Matt, Wendell and George. Amerson Black Creek play the base, and Onn Cockrell, Bulley plays saxophone, a trombone section is composed of Franklin Harney, Elm City and Andy Stott, Wendell. Irene Webb and Gertrude Bryant, of Stoga, play the French horns.

Note must be given of the progress the band made due to the fact that many of its members are recent in this line of activity.

A German school has invented a water mask which will fit the wearer to walk on the ice of water, according to a report to the department of commerce from Berlin.

Air conditioning has been making notable progress. The Philadelphia Institute, installed being made recently in movie theaters, theaters, offices, hospitals and residences.

Economic And Social Survey Of Wilson

Atlantic Christian College is making a complete economic, social, and religious survey of the town of Wilson and of the county. This is a project of present administration under the leadership of F. E. K. A. The survey will show clearly the existing conditions in Wilson County. The survey consists of students who are receiving aid from the F. E. K. and students in sociology classes. Professor Hamilton and Professor Malison of the Department of Social Science are directing the survey.

There has been favorable cooperation through the survey. No hesitancy has been shown among those asked to cooperate. Those who are aiding the survey by their cooperation are: Barclay, the Christian Mission, Mr. Wiggins, City Manager, Barnes, City

COLLEGE STUDENT IN JUDGING CONTEST

GOES TO KANSAS CITY BY AUTOMOBILE

George Stein, student at Atlantic Christian College has returned from the American Royal Livestock Show held recently at Kansas City with high ranking positions for the state team.

The four boys making the trip, and all representing the vocational agriculture work in state high schools, were: George Stein, who last year graduated from West Edgecombe High School, Rocky Mount, the following: Charles Ledron, Burnettsville, near Asheville; Holt Wright, Ellenboro; and James Brown, 10th Square, P. H. Gaston, teacher of agriculture in the West Edgecombe High School accompanied the team as coach.

The trip was made through the country and all expenses incurred were paid by the state. The party left Rocky Mount October 17 and arrived in Kansas City, October 22. The contest lasted for six days, livestock, such as horses and poultry, which at that time all types of livestock, sheep, swine, and poultry were judged. The team left Kansas City October 25th and arrived in Rocky Mount October 29th.

In the livestock judging contest Stein won fourth individual place competing with one hundred and five other young farmers, and in the poultry judging contest, he won seventh individual place with seventy-five competitors.

Stein with Kenneth McIntosh, Ted Oak, President of the Young Turf and Farmer's attended the National Conference of the Future Farmers of America, held in conjunction with the livestock show. They were the two delegates from North Carolina to the conference.

Holt Wright of Ellenboro won sixth place in the sheep judging contest, while the entire team of four boys won third place among the state teams in judging ewes and fifth place in judging horses. Roy H. Thomas, State Supervisor of Vocational Agriculture said: "The team made a good showing at the meeting and I was well pleased with the results."

WOMEN STUDENTS ROLE THEMSELVES

Girls Responsible For Conduct Plans Successful.

The Women's Student Government Association of Atlantic Christian College has planned to give the control and management of the women students to the girls themselves. At the present time, the education of the girls is under the control of the faculty. It is the aim of the association to give the girls a voice in the management of their own affairs and to give them a sense of responsibility and self-control.

DRAMATIC CLUB ADOPTS NAME AND CONSTITUTION

A new club has been formed on the campus, the Vagabonds. Members of the Vagabonds are those especially interested in dramatics. The purpose of the club is to promote and sponsor dramatics in Atlantic Christian College.

The Vagabonds have drawn up and adopted a constitution. The first officers are: Hazel Gurganus, President, Mae Mercer Harrell, Vice-President, and Dorothy Jones, Secretary. Professor Peery was elected faculty advisor. The new officers have already been installed.

Professor Peery has outlined his plans for the coming year. A complete renovation of the stage is expected. With new lighting equipment and necessary curtains the stage should be adequate for all needs. The club has been divided into sections of those who are interested in stage management.

STUDENTS ACCORDING TO CHURCHES

A classification of the students who are enrolled in Atlantic Christian College for the year 1934 in regard to their church membership and denominations shows that out of the 800 students who are now enrolled in the college they are 240 or 30% who are church members. Of those 240 students who are church members, 120 or 50% of them are affiliated with some church and 58% or 23% of them have no affiliations. Out of the 240 who are church members 25% or 120 of them are members of the Christian Church which has the largest number of representatives here. Next we have 10.0% or 47 who are Methodist, 10% or 47 who are Baptist and 8% or 38 who are Free Will Baptist. We also have 2% or 8 each of Episcopalians and Presbyterians, 1% or 3 who are members of the Friends Church, and one student who is a Lutheran.

BUDGET COMMITTEE SUBMITS A REPORT

\$200 GIVEN FOR GYM

Student Association Reports Favorably On Projects At Meeting.

From all appearances the Student Association has been filling the needs of the students very satisfactorily this year. Under the leadership of Jacob Taylor as President, George Brewer as Vice-President and Joseph Harrell as Secretary each member of the Association has done his part in the best of his ability.

On Oct. 17 the Student Association met and heard the budget report of the year. The need of a bus in transporting the Glee Club and a motion picture was discussed. Upon motion the students voted that arrangements be made by the budget committee to buy a bus. Two hundred dollars was contributed by the students to the gym fund on provision that the gym be completed by Thanksgiving, Nov. 29. A committee was appointed to purchase new basketball uniforms.

On Oct. 25 when the Association met a motion was made to form a committee and petition the Board of Trustees of Atlantic Christian College to allow mixed dancing in the College. Restrictions were made in the motion as to the manner in which these dances would be conducted. A committee was appointed to go to Greenville for the week of the Christian Convention to lay the petition before the Board of Trustees.

Given below is a suggested budget allotment for the various student activities. Athletic Association (Inter-collegiate) \$2.00 of each \$10.00; Intra-Mural Athletics 75c of each \$10.00; Collegiate, 12.25 of each \$10.00; Entertainment, \$1.00 of each \$10.00; Miscellaneous, \$3.00 of each \$10.00. Under the term "miscellaneous" it is to be included student debates, inter-collegiate debates, oratorical contests and the purchase of a new bus and the contribution to the gym fund.

BOYS' LIVING ROOM AT LAST A REALITY

Cooperation of Students and Faculty Result In Parlor

At last the dream has come true. The talk of the campus among the boys since about the first week of school has been centered around new living room to replace the old drop and forlorn lobby in the boys' dormitory. For awhile it seemed to be nothing more than a mere talk but the near proximity of the Home Coming celebration inspired renewed effort to get the "lobby" converted into a living room for the observation and inspection of the returning alumni on Friday. The long dreamed living room had become a reality. Since that time, the most persistent question pronounced by the girls and boys has been "Will we be able to have dates in the boys' new living room?" And why not? It is the consensus of opinion that this room is one of the most attractive and alluring places on the campus. A almost an hour of the day and the early hours of the evening one or two groups of boys sitting around the old "drop" reminiscing over reading the daily newspapers.

All the old abandoned furniture has been removed. It has been replaced by a new living room with a new table, several chairs, a rug, a table, four lamps and reading lamp and a new radio. Through the kindness of Professor Malison several daily and weekly newspapers are placed in the new living room and enjoyment of all the boys on the campus. This project has been fostered by the boys themselves. A committee of four was appointed by the Y. M. C. A. to solicit funds from the boys and the members of the faculty to take care of the financial side of the project. This committee consisted of Oakey Bass, Russell Jefferson, Corneil Daugherty and Rabon How.
