A LOOK AHEAD

Hebbe Appointed To Coach Pups

More emphasis is being put on junior varsity basketball than ever before here at AC. Since it is on the upswing, Coach Jack McComas has searched, and found, for himself, a very able assistant to replace Tom Pritchard, who coached the Jayvees to fifteen straight victories last year.

Jim Hebbe is the man who steps in as head coach for the promising Bullpups for the '54-'55 campaign which includes such teams as the strong freshman teams from North Carolina and Wake Forest and the squad from Chowan College.

JIM HEBBE

Hebbe is a senior at AC after having come here in 1951. He graduated from Shelbyville, Indiana, High School, where he lettered in basketball, baseball, football, tennis and golf. He was picked on the all conference basketball team. He was also spotted by McComas, who also hails from Shelbyville, and he decided to come to Wilson. Jim played three years of varsity ball for the Bulldogs and is eligible for competition this year. However, he has decided to go into the coaching field so as to prepare himself for high school coaching.

Council Set Up For Intramurals

This year for the first time, an intramural council has been set up for the purpose of simplifying the intramural program.

The council is headed by student director, Bill Price and faculty director, Ed Cloyd. Serving along with these two are the officers of the council: Earl Hughes, president; Rock Lockamy, secretary; Pee Wee Hilliard, public relations man. The representatives from the four teams are Captain Sammy Pridgen and Manager Earl Hughes from Sigma Alpha, Captain "Corky" Wheeler and Manager Pee Wee Hilliard from Phi Kappa Alpha, Captain Robert Overcash and Manager Jack Harris from Phi Delta Gamma, and Captain Jerry Stokes and Manager Rock Lockamy from Caldwell Hall.

Among the activities on the agenda for this year are football, basketball, softball, ping-pong and badminton.

An award will be given at the end of the year to the outstanding intramural athlete who will be selected according to participation.

This year's intramural program should be the best ever.

The new look will be the thing in basketball here on campus this year. New uniforms, new teams on the schedule, and a "like-new" gym will feature the 1954-55 campaign.

During the summer the gym was renovated and is now one of the better gyms in the conference. The new balcony has increased the seating capacity to approximately 1200, and the increased lighting facilities make it one of the best lighted playing areas in the loop.

To Mr. Russell Arnold must go the thanks for the colorful bulldog in the center circle.

The new uniforms will undoubtedly make our crew the classiest team in the North State Conference.

White satin warm-up jackets and pants will be the most noticeable change in the team's attire. New home uniforms will complete the change, along with short sleeve pull-over jerseys with each player's name on the back.

The athletic association has gone all-out to see that Atlantic Christian will have a team that it can be proud of, and the student body, should give them support they can be proud of.

Tennis To Be Revived

For the first time in several years Atlantic Christian College will have an inter-collegiate tennis team. Fall practice is now being held every Monday, Tuesday, and Thursday afternoon at 4:00 P. M. at the Recreation Park courts. Any interested students are invited to attend practice. No experience is necessary.

Students who have shown interest thus far include Jim Hemby, Jim Hebbe, Bill Price, Billy Widgeman, Jack Aheron, Buddy Aldridge, Chuck Hester.

Mr. Cloyd of the Physical Education Department has volunteered his services as coach. Regular practice will begin in March of the spring semester.

W.A.A. Entertains Freshman Girls

Yesterday afternoon the Women's Athletic Association was host to the freshman girls at a weiner roast which was to serve as a medium of introducing the newcomers to the association. Before the weiners were burnt, the girls enjoyed softball and other recreational activities — such as the kiddie swings, etc. All in all, it was a very enjoyable evening — even after eating.

Officers of the association for the coming year are as follows: Dolores Best, President; Rachel Whitfield, Vice-President; Margie Blinson, Secretary; Judy Creekmore, Treasurer; Ernestine Mazing, Publicity Chairman.

Meetings will be held every other Monday at 9:50, the regular chapel time, in the girls' dressing room of the gym. All girls who would like to become members are invited to come to the next meeting to be held October 18.

Phys. Ed. Group Host At Supper

Saturday afternoon from 3:00 to 5:00 the Physical Education Department will entertain the faculty at supper. Mr. and Mrs. Cloyd, Mr. and Mrs. McComas, and Miss Tomlinson will be hosts at the Cloyds. Believe it or not, they're going to wear slacks, Bermuda shorts, and the sort — at least that's the rumor. For, the story goes, they're supposed to play a little softball before going formal. Husbands and/or wives of faculty and staff members received invitations.

The purpose of this social is to acquaint the faculty and administration with the functions and purposes of the Physical Education department.

Coach Sets Goal For Bulldogs

Atlantic Christian Coach Jack McComas is not one to take second best honors and be satisfied.

Last year, with McComas at the helm, the Bulldogs went through North State Conference tournament as one of the top squads. In the opening game, the Dogs shattered previous tourney records as they slaughtered Catawba by a 100-74 count. They then beat favored Lenoir Rhyne and went on to meet East Carolina in the finals. Finally, the Bulldogs were stopped by the Pirates, 86-75.

This year Coach McComas and his crew won't be satisfied with anything but top spot. From the opening tip of the season to the final buzzer, the AC club will be gunning for high honors in the North State Conference.

Practice sessions have been underway for a while and McComas welcomed back the entire squad from last year with the exception of graduated Kelly Byrum.

Preparations are now underway for the Blue-White game in November, and the regular opening game with Lynchburg College will highlight Homecoming week end on November 19.

The Blue-White game will climax the evening for the newly formed Century Club, a group of local businessmen, who follow closely the college athletics. The Century Club will have as its guest, Coach Evrette N. Case from North Carolina State. Coach Case will address the club and will be on hand for the game between members of the varsity squad.

The Lynchburg game will initiate the 1954-55 season, which includes 18 conference titles and 7 non-loop contests.
