ATLANTIC CHRISTIAN COLLEGE, SEPTEMBER 26, 1958

NUMBER ONE

## Assembly, Chapel Plans Revealed

### Probation Policy Is Spelled Out

Atlantic Christian College's academic probation policy was spelled out for the benefit of new students in an interview this week with Dr. Millard P. Burt, Dean of the College.

It was pointed out that students should know the academic probation situation at the outset so as to guard against possible problems later on.

The program requires a student to maintain a level program of academic accomplishment in order to stay clear of the probation problem. If a student falls more than 12 quality points below a "C" average in any semester he automatically goes on academic probation. The following semester if he fails to pull his grades up so that he is less than 12 quality points down, he will be suspended from school.

Dr. Burt also pointed out that many students who have been suspended in the past assume that they will automatically be accepted for re-admission to the college after going to another college and

### Woody Herman Band To Play On Campus

The famous Woody Herman Orchestra will play for a dance at Atlantic Christian College on Monday, November 17, it was announced today.

Sponsored by the Interfraternity Council, the dance is a project that is being arranged by the Interfraternity Council, the Executive Board, and the Social Committee of the college.

Admission for students and faculty members will be free, it was announced.

### White Heads Greek Letter Council

New officers were elected, the name was changed and plans were laid for a "Rush Week" in October at a meeting of the old Pan-Hellenic Council held last week.

The name "Pan-Hellenic Council" went out of the campus organizational vocabulary at the meeting. Henceforth the organization will be known as the Interfraternity Council, it was decided by representatives of the various Greek letter organizations who make up the council.

Elected president of the new council was Sammy White, a junior from Miami, Florida, Don Lee, a senior from Arapahoe, was named to serve as vice-president. Miss

Peggy Pittman, a sophomore from Grifton, was elected secretary, and Miss Marie Johnson, a senior from Wendell, was named treasurer.

Serving as advisers for the council will be John E. Weems, Director of Student Activities, John H. Rich, Dean of Men, and Miss Sarah Bain Ward, Dean of Women.

A discussion brought forth a decision to begin "Rush Week" early this fall with the visitation beginning at the various houses Monday, October 20 and running through Thursday, October 23.

It was also pointed out at the meeting that all fraternities and sororities on the campus should

work more closely together in the future.

A kick-off dance and party was scheduled for Friday, October 17, to herald the beginning of "Rush Week" the following Monday. It will be sponsored by the Interfraternity Council.

At its meeting held Wednesday night, the second of the year, the council went into more detail in planning for "Rush Week."

It was decided that limited bidding will be in order with the fraternities and sororities being more selective in their approach to possible new members.

White presided at the meeting Wednesday night.

Collegiate Editor

Confronted for the third straight year with an overload of students for the facilities available for assembly and chapel programs at ACC, the college today announced a concrete program that will ease the situation.

Dr. Millard P. Burt, Dean of the College, said he and his staff have worked out a program that they hope will prove to be successful and to the benefit of all students concerned.

The move was brought about by a steadily increasing student body that is overtaxing the seating of Howard Chapel, center for the assembly of students and faculty members at the college.

Exempting seniors for the past two years served as only a stop-gap measure that denied fourth year students an opportunity to participate in the full college program, it was pointed out.

Under the new plan students will be placed under a voluntary assembly attendance on the one hand and a required chapel attendance on the other.

The schedule has been worked out so that on the first and third Tuesdays, freshmen will meet with their orientation groups on a required basis. At the same time upper class students will meet with their faculty advisers on the first Tuesday with attendance required, and on the third Tuesday, meetings of the sophomore, junior and senior classes will be held with attendance required.

On the second and fifth Tuesdays there will be programs held in Howard Chapel. No attendance slip will be collected. It is hoped that with this experimental program students will see fit to attend whether they are required to or not. Dean Burt said it was purely an experimental program and at the outset it will have to be studied to determine the percentage of attendance.

On the fourth Tuesday of each month students will attend a meet-

### 1958-59 Program Of CCA Is Inaugurated This Week

By RALPH MESSICK

The Campus Christian Association opened its program for the 1958-59 session with a three-day "kick-off" religious emphasis program.

Dr. C. Manly Morton, minister of the Parkway Christian Church, Fort Lauderdale, Florida, was the principal speaker. His topic for the week was, "What Seek Ye?"

### Seven Are Added To ACC Faculty

The college faculty has seven new members this fall. Each of them is joining one of the various academic departments on the campus except for Miss Anne Solomons who is the new Assistant Librarian.

John H. Rich will teach in the Department of Business, but also is serving as Dean of Men.

Dr. Deems Wiggs is a member of the Department of Science and Math. Mrs. James Woodard is in the English Department, Robert K. Black is teaching Art, Lewis Aiken is in Education, and J. O. Sanderson, Jr., is teaching Music.

### Fall Enrollment Sets New Record

Atlantic Christian College has a record enrollment for the Fall Semester, it was announced this week by Mrs. Bethany R. Joyner, College Registrar.

Mrs. Joyner said the college has enrolled 1,098 students this fall as compared to 969 last fall. This is an increase of 13.3 percent.

The ACC Registrar also said the fall enrollment is 8.7 percent ahead of last spring's enrollment of 1,010 which was the previous high for any semester.

"Unk" as Dr. Morton is affectionately called, said that education is not just getting facts, but also the seeking which an individual goes through in order to make a contribution to society and to Jesus Christ.

Discussion leaders, supplied by the local churches of Wilson, were Dr. R. Grady Dawson, minister of the First Methodist Church; Reverend Jack Gray, minister of St. Timothy Episcopal Church, and Reverend Murphy Williams, minister of the First Presbyterian Church. These discussion groups were held in the fraternity houses and in Harper Hall parlor.

Following these discussions a social hour was held in the dining hall sponsored by the Methodist and Presbyterian students. The evening was closed by vesper services led by the Disciple and Free Will Baptist students.

One of the highlights of the week

### Dorm Plans Approved

Atlantic Christian College's new 144 bed men's dormitory will begin to rise from the ground shortly after November 15, it was revealed today by Dr. Arthur D. Wenger, ACC President.

Dr. Wenger, in discussing the dormitory project, said architects are now completing the final scale drawings and specifications for the modern glass and brick structure that will be constructed at the corner of Deans and Gold streets.

Dr. Wenger said the college will be accepting bids from the contractors about October 15. The dormitory will be about one year in construction. It is hoped that the dorm will be completed by January, 1960.

The first full meeting of Atlantic Christian College's Special Study

Committee will be held tomorrow in the Faculty Lounge at 10 o'clock.

Purpose of the committee is to form a new philosophy for the college as it moves into an era of challenge. Enrollments nationally are growing. The Board of Trustees of the college would like to have a concrete program of growth laid before it by a committee of experts so that it can map plans for the future.

Heading the committee is James Manning of Williamston, Superintendent of the Martin County Schools. Several ACC administrators and faculty members are on the committee.

Atlantic Christian College will hold a Progress Assembly on

### Parking Problems Grow

By BOBBY SWINSON

Atlantic Christian College, possessing an automobile population almost as large as the student body, is being hard pressed to find enough available space to park the vehicles.

In an interview with John E. Weems, Director of Student Activities, it was discovered that the parking situation is one of the most difficult problems facing the college administration today. The college now has only one lot available for student parking. This is located behind the new science building on West Gold street.

But where are the 323 cars registered going to park? Other than the lot behind the science building, the only parking space is on the

streets surrounding the college, and then parking is allowed only on one side of these streets. Mr. Weems says he hopes that some progress can be made on parking during the current college year. There will be some parking space at the new men's dormitory when it is completed, it has been explained.

Students are reminded not to park behind the music building, the annex to Harper Hall, or in the faculty parking lot as this lot is not big enough for the faculty vehicles. Heretofore, all those who were illegally parked were given a parking ticket and were fined. However, this policy has been changed greatly. The violation, it

## Freshman Class Balks At Quick Election

By BOB COLLINS

An intelligent group of Atlantic Christian College Freshmen has vroken the old tradition that "Freshmen should be seen and not heard," and have demanded an opportunity to have more time in selecting Freshman Class officers.

At a recent meeting of the Freshman Class in the ACC gym the usual method of electing class officers was begun. Nominations from the floor were called for. Several of the members of the Freshman Class expressed the desire that an opportunity be given the candidates to speak to the class before the election.

Candidates for various Freshman Class offices have now been nominated, and the Freshman Orientation Committee has made plans for the candidates to speak before the class on Tuesday, October 7. The election by secret ballot will follow.

Candidates are: President — David Mustian, Jimmy Boswell, and Jimmy Silverthorne; Vice-President — Buddy Westbrook, Charles Sullivan, and Joyce Burgess; Secretary — Catherine Pappas, Margaret Walker, Ann Russell, and Janette Winborne; Treasurer —

Elizabeth Bell, Joan Ellis, Marie Barnes, and Frankie Becham.

Discussion of the action by the Freshmen was held at a meeting

of the Executive Board Monday afternoon. Dean of Women, Miss Sarah Bain Ward, echoed the sentiments of the board when she

commended the action of the freshmen in requesting more time to consider the candidates.

In other action Monday, the Exe-

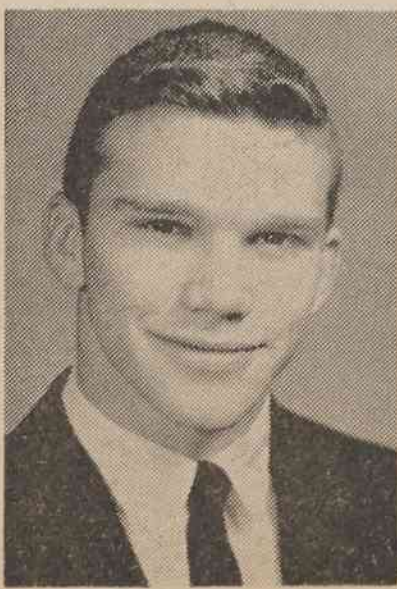

cutive Board elected students to serve on both the Assembly and Concert Committee and the Social Committee. Named to serve on the Assembly group were: Senior — Jay Prillaman, Junior — Wayne Quinton, Sophomore — Louise Wells, and Freshman — Elizabeth Bell.

Elected to serve on the Social Committee were: Senior — Carolyn Miles, Junior — Bobby Dunn, Sophomore — Bob Matthews, and Freshman — Tuck Uzzell.

Later a discussion of the new social calendar was held. It was pointed out that written requests for any social event, regardless of the number of years such an event has been taking place, must be forwarded to the Dean of Women, Miss Sarah Bain Ward. The request must go to the Dean of Women so she may determine if the request is in keeping with the philosophy of the college.

Miss Ward will present the request to the Division of Student Services and to the Dean of the College for final approval. The Dean's Office will mail a written approval or disapproval to the per-
