## Weightlifting Club Is Formed At ACC

A weightlifting club, thought to be the first of its kind in any North Carolina College, has been formed at ACC.

President Hal Gibbs said a few others and himself were lifting weights on campus last year. So many wanted to participate, he said, that a club was formed.

Officers of the new club are Gibbs, president; George Gorritz, vice - president; and Kenneth Stallings, secretary - treasurer.

"We have weightlifters, body-builders, and those who are just trying to gain or lose weight in the club," Gibbs said.

"Because of limited resources expansion is going to be temporarily restricted. But we hope to remedy this as soon as possible," he added.

A membership fee of \$5, which covers the expense of equipment, qualifies anyone for membership. The club is open to any student or faculty member at the College.

Next scheduled meeting of the new club is next Wednesday at 8 p. m. in room 109 of the Classroom Building.
