Rush Week, an annual event for all sororities and fraternities at Atlantic Christian College is scheduled for October 23-26.

## UCCF Holds Big Picnic Recently

On Tuesday, Sept. 26, the UCCF (United Campus Christian Fellowship) held a picnic at the college picnic area. President Eloise Reel extended greetings to all of the members. Donna Melhorne, Phea Forrest, and Bettye Ann Thomas led the group in a worship service.

Unfortunately, darkness swooped down upon the group just as they prepared to eat. George Gorritz was selected, by popular demand, to hold a flashlight so that the rest of the members could see to eat.

During the confusion, Marilyn Hall got most of the food, although Richard Johnson and Pat Hines each ran her a close second. Sam Jones somehow ended up in a tree during the shuffle. Jimmy Boswell, a noted Christian around campus, also showed up for the affair.

Seriously, a good time was had by all. During the coming year, UCCF meetings will be held every other Tuesday at 6:30 p. m. Anyone interested in securing information concerning meetings may contact either Miss Eloise Reel, president of the Organization, or Miss Sylvia Peterson, CCA representative.

## Officers Named By Science Club

The Science Club is meeting on the first Wednesday of each month in the Science Lecture Room 107 of the Science building, at 7:30 p.m.

The new officers of this organization are: Johnny Baker, president; Lee Glover, vice president; Randy Whitley, treasurer. The faculty sponsors are Dr. Tyndall, Mr. Holler, and Mr. Tate.

The Science Club, composed of science and math majors, hopes to become a national fraternity in the near future. All majors in these two fields are encouraged to attend.

ACC FRESHMEN CLASS OFFICERS—Officers named to represent the class of 401 freshmen students enrolled at Atlantic Christian College for the year 1961-62 were elected here during the early part of the week. Named to office were: front row, left to right, Jessica Lee May of Louisville, treasurer, and Ann Elizabeth Oakley of Williamston, secretary. Back row, left to right, Donald Thero Barefoot of Dunn, president, and Rex Wheatley of Washington, N. C., vice president.

## Executive Board Studies Budgets

By GUY MILLER

The Executive Board considered the proposal of a tentative budget at its meeting on Monday evening, Oct. 2.

Most of the three hour session involved extensive debate, consideration and planning for an operational budget for the current school year. Bob Bishop, chairman of the budget committee, presented a proposed budget for the Cooperative Association.

Much debate was centered around the question as to whether the Executive Board would have any funds to appropriate to the campus awareness committee and whether the proposed appropriation to WACR radio could be increased.

Jim VanCamp presented pleas for the campus awareness committee and Doug Ouzts sought for additional funds for the operation of the radio station.

The board has only limited funds for its appropriational task. As a result, all budgets submitted by the various constituent organizations have been cut in the tentative budget.

The board approved the proposed budget as submitted by the committee.

The budget was accepted by the board only as a tentative one. The board secretary was instructed to notify each organization of its tentative appropriation. This was done so as to allow any constituent organization a chance to confer with the budget committee for further consideration of its appropriation before a definite budget is passed by the board.

Also debated at great length was the \$1,000 appropriation for the IFC Co-op dance. Extensive debate and thought was given to the most suitable means of supplying money for subject dance.

William Tucker, faculty representative on the board, moved the board "recommend to the students that they (the students) finance the IFC Co-op dance in view of the fact that we (the board) need additional money to undergird the total program of the Cooperative Association."

The motion carried. Jeff Adams, board chairman, appointed a committee to plan a feasible financial solution for the dance and report its findings to the board. The committee is headed by Dr. Tucker. Other members are

Peggy Bivins and David Peebles. It was announced that the proposed constitutional amendment

## Barefoot Named Frosh President In Monday Vote

By JESS MAGHAN

Early predictions on the Freshman elections proved correct. The turnout at opening elections on Friday, Sept. 29 was heavy and over-all voting passed 50 per cent of the Freshman class. Poll results on Friday left two contenders for each office and run-offs were scheduled for Monday, Oct. 2.

◆ Fridays poll tally left Don Barefoot and Shiela Scott in the race for president. Mr. Barefoot held a slight lead with a count of 78 but still lacked a majority of eligible voters.

Shiela Scott followed with a second place reading of 28. For vice president, Steve Earl Everett and Rex Wheatley came out for the run-off race on Monday, with Mr. Wheatley in the lead holding a 52 count and Mr. Everett close behind tallied at 49.

Ann Oakley and Susan Webb entered the run-off in competition for the office of secretary; Miss Oakley in the lead with a count of 63 and Miss Webb followed closely reading 56. Male competition was eliminated in Friday's elections as far as class treasurer was concerned. Surviving the vote were Jessica May, with 73 and Maloye Richardson, 44.

Friday's election results were posted immediately and the candidates were notified of the results.

Monday's run-offs opened in full swing, with a good turnout at the polls though total class voting count decreased by 25 per cent.

Final poll results place the following officers in the 1961-62 Freshman Class. Donald Thero Barefoot, president receiving 87 run off votes to defeat Shiela Lerlene Scott who received 32.

Rex Hunter Wheatley received 62 run off votes to defeat Steve Everette who held 57 in the final count for vice president.

Ann Oakley finished the run off vote by defeating Susan Webb by a margin of seven votes.

Final run off counts placed Jessica May in the office of treasurer with a run off count of 73 defeating Miss Richardson who held a run off count of 44.

The newly elected officers extend their gratitude and appreciation to those who voted for them and pledge to represent this years freshman class in every aspect of college and campus life here at Atlantic Christian.

President Barefoot encourages any freshman student who has a suggestion and-or problem that should come to the attention of the class officers to feel free to contact him or his staff.

## Circle K Group Is Reorganizing

The Circle "K" Club of Atlantic Christian College is presently in the process of reorganizing. There are approximately five active members left from last year. In the very near future, the group hopes to take in 10 to 15 new members.

Circle "K" is a service organization and is directly affiliated with the Kiwanis International. There are Circle "K" organizations on many campuses throughout the United States. Our own organization has in the past two years presented movies on campus, held a small-scale carnival and a talent show, and directed clothing and CARE drives, etc.

The group this year hopes to perform many valuable services around campus. They are presently making arrangements to paint the old building next to Tweetie's, which will be used as the meeting place of many campus organizations. They also hope to bring in an outside speaker sometime during the year to present some subject of general interest to the student body.

The organization is looking forward to a busy, but successful year.

### CORRECTION
