## Executive Board Holds Regular Meeting Monday

The North State Conference, leadership dinner, speeding problem and activities point system carried the discussion in sequence at the Executive Board meeting on November 13.

A booth will be situated in the class room building to sell tickets for the IFC dance on the Monday of the dance and possibly at the door.

The Leadership dinner will be held at the Wilsonian Restaurant with representatives from each class and under the suggestion of Ken Thorton anyone else may attend who is interested who is invited by a board member. The supper will be at 6 p.m. on November 20 with the price of \$1.50 per person.

Candidates for basketball queen were presented in assembly on Tuesday, November 14. At this time voting was to determine the winner and to be included in this vote was a decision for one large dance of the year, either a Christmas dance, Spring dance or Mardi Gras Ball. To eliminate further voting the basketball queen plus her court was to represent ACC in the Wilson Chamber of Commerce Christmas parade.

Roy Barnes, president of men's dorm association brought up the cross-walk problem and the speeding around campus during class changes with a suggested remedy of a radar system. A committee was appointed to further investigate this problem by Jeff Adams. A committee was appointed to set up a procedure for point system including a prerequisite of scholastic excellence. Bob Stone moved for adjournment and meeting closed.

## Wilson Jaycees Announce Plans For Big Pageant

The Wilson Jaycees recently announced that the date of the 1962 Miss Wilson Pageant will be Saturday, February 3, 1962. Mrs. Betty Lane Evans Bissette, former Miss North Carolina title holder and now a student at ACC has been appointed official representative of the local Jaycees on the ACC campus. During the past two weeks Betty Lane has been talking with girls who are interested in the pageant and will continue interviews during the next few days.

Prospective candidates should be at least 18 and no more than 28 years old. In addition to beauty, grace and charm, the candidates should be able to develop a three-minute talent routine. This talent may take the form of singing, dancing, dramatic reading, art display, or talk. It has been emphasized that the talent presentation may take any form and is limited only by the entrant's own ingenuity.

Local pageants such as the Miss Wilson production are the grass root system that support the well known Miss America Pageant. Miss Wilson of 1962 will go to the state contest to be held this summer in Charlotte, and the candidate chosen there as Miss North Carolina will compete in the Miss America Pageant in Atlantic City in the early fall.

Those who are interested in learning more about the pageant and those who would like to suggest a prospective candidate should contact Mrs. Bissette.

## Many Programs Are Being Provided By The Campus Awareness Group

By JERRY RIDLING

In keeping with its purpose, the Campus Awareness Committee is sponsoring several fine programs which should be of interest to every student in the near future.

On Thursday evening, Nov. 16, at 7:30 o'clock, Dr. William Troutman will speak on the subject, "A Liberal Looks At World Affairs Today." (This event will have already taken place by the time this article goes into print). On Nov. 30, Dr. Daniel McFarland will speak on the same subject, but

inserting the word "conservative" in the place of "liberal".

The two men apparently hold different views of America's place in the world today and of what actions she should take in the present world crisis. Such a presentation of diversified opinions should be of great benefit to the student body, and it is hoped that discussion periods can be held at the close of each speech, during which time the students would be given the opportunity of asking questions and expressing opinions.

The controversial movie "Operation Abolition" will be presented by the committee on Nov. 28, at 7:30 p.m. in Howard Chapel. Fulton Lewis III, will accompany the movie.

Following the film, there will be a debate on that movie and the House Un-American Activities Committee. Debating against Mr. Lewis will be Mr. James Hemby and Mr. D. L. Warren, and possibly others.

Mr. Lewis has travelled extensively throughout the United States debating. He has appeared at many colleges, several of which are in this area. Just previous to his appearance here, he will be at Davidson College.

Last spring Mr. Lewis appeared at East Carolina College, where he addressed a crowd of approximately 2,000.

James Van Camp, chairman of the Campus Awareness Committee, stated to this reporter, "This event has been one of the most controversial occurrences in the climate of political and national thought for many students at other colleges. We are extremely lucky to be able to take advantage of such a program. It is hoped that the students of Atlantic Christian College will be able to respond accordingly."

The aforementioned programs are to be sure, entirely voluntary as far as student attendance is concerned. It is hoped that the students on campus will appreciate the work that has gone into these presentations, and that they will be mature enough to come and participate in the learning process which these programs will afford.

## Little Symphony To Appear Here

The North Carolina Little Symphony will appear on campus on Monday, January 29, 1962, at 1:30 o'clock in the afternoon, it was announced by the assembly and Concert Committee of the Cooperative Association.

Contract was recently returned to the orchestra's business manager calling for the concert to be held in Howard Chapel. There will be 26 members in the little symphony.

Conductor of the organization again this year is Dr. Benjamin Swalin. Narrator will be Mrs. Swalin.

The Little Symphony's last appearance in Howard Chapel was in the spring of 1960 at which time an over-flow audience enthusiastically recalled Dr. Swalin to stage many times for encores and bows.

## Students Named For Who's Who

Twelve students from Atlantic Christian College have been named to Who's Who Among Students in American Colleges and Universities, according to an announcement made Wednesday by Dr. Millard P. Burt, dean of the college.
