NUMBER SEVENTEEN

Greek Week Highlighted By Dance And Concert

Tonight at 8:00 p.m. the Catalinas will play for a dance at the Country Club for the Greeks and their dates. This will be one of the highlights of 1963 Greek Week. Following the dance will be a breakfast from one o'clock to three o'clock. Dorm students will be allowed to stay until 3:30. Dress for the boys is coat and tie, and the girls are to wear dresses or school clothes and heels. At this breakfast, awards will be given for the winners of the Greek Sing and Stunt Night.

Tomorrow afternoon at three o'clock the Ivy League Trio will present a concert at the Fike High School Auditorium. Following the Ivy League Trio will be a night club comedian, Lennie Maxwell. Saturday night each fraternity will have its own private party.

The Greek Sing was kicked off Wednesday night as the Greeks participated in the sing by entering a song and closing their entry by singing another song which pertains to their sister sorority or fraternity. It was under the directorship of Phi Sigma Tau and Alpha Sigma Phi.

The Ivy League Trio will be making this engagement following a series of highly successful performances at colleges and universities throughout the country as well as many leading night clubs. Their inventive arrangements of folk tunes and novelty ballads have been recorded on the Coral label and are perpetual favorites among the nations disc jockeys.

The trio is composed of Bob Hider and Norrie O'Neill from Glen Ridge and Montclair, N. J., respec-

tively and Bev Galloway from Olean, N. Y. Bob and Norrie had been high school friends with a penchant for folk songs. When Norrie entered Georgetown University he drew Bev for a roommate and the trio idea was born. The boys have remained together since, winning acclaim and fans with each performance.

The professional career of the Ivy League Trio began with an audition of NBC's Talent Search Program. A Coral Records contract followed, as well as engagements such as the exotic Esso Club in Arabia, the Dutch West Indies, and the Steel Pier in Atlantic City.

Lennie Maxwell, popular New York Comedian, has combined his clever and facile artistry and a wide latitude in subject matter is pinpointed to a viewpoint peculiarly his own.

Garrison Speaks At Christian Meet

Dr. Winfred E. Garrison, Head of the Department of Philosophy at the University of Houston, spoke at Christian Service Workshop last Wednesday afternoon.

Several non-religion majors attended in order to get an extra chance to hear Dr. Garrison.

Sitting informally before the group, the guest jokingly told everyone to go on and talk about whatever they were interested in and he would "try to participate." Questions arose concerning full-time religious vocations, and Dr. Garrison emphasized the pressing need for committed people in all branches of Christian endeavor.

Sig Ep Pledges \$1,000 To Fund; All Participate

Sigma Phi Epsilon fraternity has become the first organization on campus to pledge 100 per cent in the Student Fund Drive. The pledges of its members and of the fraternity itself totaled \$1,000.

Of the \$1,000 donated, members of the fraternity pledged \$902.50, while the fraternity made a gift of \$100. The average pledge made by the group was \$.50 monthly for 36 months.

In the over-all Student Campaign, 87 pledges and donations have been made, totaling over \$3,000. Pledges in the over-all campaign have run from \$1.00 to \$250, with the average pledge being between \$10 to \$20 for the 36-month period.

Amount Not Important

"It cannot be emphasized enough that the amount given by the individual student is not as important as that he give something," said Hatten Hodges, Chairman of the Student Campaign. "All of us, out of sheer waste, throw away more than a dollar a month. One dollar a

month from every student for 36 months will help make Atlantic Christian a better college. Even a pledge of \$1.00 will mean that the giver is helping build a more modern ACC."

Throughout next week, and possibly the week afterwards, team captains and workers will be contacting Day and resident students.

Worden Allen, director of development, announced this week that over \$100,000 has already been given in the over-all Capital Campaign.

Faye MacKinnon To Give Recital

The Music Department will present Faye MacKinnon, soprano, in a voice recital on Monday, March 4 at Howard Chapel at 8:15 p.m. Miss Janet Danielson of the Music Department will accompany her.

Among her selections will be "The Trees They Grow So High," and "The Ash Grove", arranged by Benjamin Britten. Mrs. MacKinnon will sing two poems by Emily Dickenson, "Why Do They Shut Me Out of Heaven," and "The World Feels Duty," with arrangements by Arron Copland. Her program will also include music by Handel, Schumann, Chamisso, Faure, and Verdi.

In an aria from "Ode to St. Cecilia's Day" by Handel, Mrs. MacKinnon will be accompanied by Mr. Neal O'Neal, cellist and Mr. Charles Rakow, pianist. Both are members of the ACC Music Department.

Informal Dinner Given By BSU

Members of the ACC Baptist Union were feted Monday Night at a supper which took place in the Fellowship Hall of the First Baptist Church. In addition to Rev. Bussey, minister of the First Baptist Church and pastor-advisor of BSU, and Miss Jesse Daniel, faculty advisor, approximately 25 members attended.

Devotional was given by Pat Taylor, and an open discussion concerning the pitfalls and dangers of interfaith marriages supplemented by a session of major Baptist beliefs, which was led by Alice Shepard, followed Miss Taylor's presentation.

Accounting Club To Meet March 7

The Accounting Club will hold its next meeting on March 7 at Parker's Barbecue. At this meeting a member of private industry of Wilson will speak to the members of the club.

At the last meeting of the Accounting Club, plans for the new semester were discussed and new members were welcomed.

Board Requests New Rule

The Executive Board, during its weekly meeting Monday night, voted to send a letter of inquiry to the faculty, discussed petitions for additional candidates for Student Co-operative Association posts, and considered the selection of delegates to the coming North State Student Government Association meeting.

The board, due to numerous inquiries, decided to send the faculty a request that the recent decision concerning the curtailment of grade posting be reversed. Mr. Ashton Wiggs explained that the measure had been taken chiefly to prevent students with additional exams to take from becoming disheartened over low grades.

Rex Horne, president of the junior class, stated that anxiety caused by not knowing exam scores was often

just as detrimental to studying.

A request was made to board members to inform any students preparing to circulate petitions nominating Co-operative Association candidates to submit them before March 15. This deadline is necessary to provide time for the petitions to be checked and the nominees be entered in the race.

Mr. B. H. Marshall attended the meeting and asked for funds to allow two members of the Forensic Arts Society to attend the South Atlantic Forensics Tournament at Lenoir Rhyne College on March 7-9. This request was approved.

A note was received from Miss Mildred Ross expressing appreciation for her gift from the student body.
