Executive Board Discusses New Budget Passes Proposed NSA Racial Mandate

By STEVE LOVE

The Executive Board of the Cooperative Association of Atlantic Christian College held its regular meeting Monday night in room 210 of the Classroom Building. The Freshmen class president and two class senators, who were elected last week, attended the meeting. President Maurice Belanger welcomed the new members and challenged them with the responsibility they held. Shelia Scott reported on the progress of the Executive Board Scrapbook that was initiated last week and is to keep a pictorial record of this year's board.

Rex Horne moved that the Rules of Procedure, which had been tabled since the first board meeting, be accepted by the board until further study could be made into them. The motion was passed.

Robert Royall, National Student Association coordinator at Atlantic Christian and ex-officio member of the cabinet introduced a revised version of the mandate that was defeated by the board last week. The wording in the mandate was changed from "expressing our outrage and grief over the killing of innocent children caused by the folly of racial injustice and hatred and violence" to "Expressing our sympathy over the killing of innocent children" etc. Oden Latham spoke for the mandate and commented that there should be no question as to passing the mandate, because our school being a Christian institution, it was our moral obligation to express our sympathy in these matters. There was no spokesman against the mandate and it was passed by the board.

The Executive Board moved into a committee as a whole and discussed the budget for 1963-64, with Jerry Ashworth, vice-president of the Co-op presiding. The individual budgets were proposed as follows: Campus Christian Association \$1,090, an increase of \$190 over the 1962-63 budget; Collegiate, \$3,108, an increase of \$600; Pine Knot, \$6,618.07, an increase of \$655.07; Social, \$350, no increase; Bohunk, \$300, a decrease of \$50; WACR, \$450, an increase of \$38; Executive Board, which gets the remainder of the unused budget. The budgets for Concert and Assembly, which requested an increase of \$1,400., and Stage and Script, which requested an increase of \$800, were tabled pending further investigation. The Executive Board passed the others. The total budget for 1963-64 will be presented to the Cooperative Association Tuesday, Oct. 8, for final approval.

October Brings Four Preps Here

On Monday night, Oct. 28, 1963, the Executive Board will present in the Atlantic Christian College Gym a concert by the "Four Preps." ACC students will be admitted for a nominal fee which has not been set at the present time. Wilson townspeople will be admitted for a higher fee which also has not been set.

There was some question concerning the date of the concert because it fell on the first day of dead week. However, Dean Robert Bennett explained to a special called meeting of the Executive Board on Tuesday, Oct. 1, that dead week had been set up by the Cooperative Association to be of aid to students and not by the college administration as a hindrance of student rights. Mr. Bennett further explained that the Executive Board had the right to make exceptions during dead week. The board then passed a motion setting Oct. 28 as the date of the Concert.
