

Here Is A Recap Of ACC's Golf Encounters

By WALLACE HERRING

To place credit where credit is due, let me recap a few of the Atlantic Christian College team performances. This year ACC has a tremendous amount of golfing ability captured in what we think is the best golf team in the history of ACC.

To open up the season Atlantic Christian blasted away to defeat Pembroke 15-1. As an opener for the home boys, they played a good consistent game under rather moist weather conditions.

On April 3, 4, and 5 the Wilson-ACC Invitational Tournament was played here in Wilson. At the end of the three day play AC finished 25 strokes ahead of arch-rival ECC, 35 strokes ahead of St. Andrews, and well over 40 strokes in front of Lynchburg. Reese Hart won Medalist honors with rounds of 75-75-79-229, finishing 7 strokes

ahead of the nearest competitor.

The Bulldogs took to the road against an extremely tough St. Andrews squad, but ACC returned victoriously pulling out a 10-8 win. This was the finest team effort of the season with all six members of the squad bringing home points.

Two days later AC was host to a strong Elon golf team, but once again ACC's superior strength shaped a 19-5 victory. This was the match in which the "little man" from Jacksonville N. C., Gordon Fulp showed his potential, fashioning a 4 over par 76 for medalist honors.

The Bulldog linsters next victim was a strong Pfeiffer squad, but the top four ACC golfers coasted home with another victory winning medalist honors and four tough points with a scorching 75, one shot of which collided against Coach Cloyd's head.

The following day the undefeated Bulldogs traveled to ECC where they had the misfortune of coming up against what is called in golf, "the rub of the green." A streak of bad luck and bad breaks and the black hand of fate demoralized AC to the unprofessional tune of 17½-6½. AC's first four men could muster but a mere 1½ points. The AC golf squad plans to avenge this defeat when they are host to ECC May 2.

Rebounding from this defeat AC traveled to Elon where they squelched Elon 16-8 and defeating conference champion, Appalachian 17-7. Playing in the number 2 spot Andy Anderson help defending con-

ference champion Austin Adams to a mere two points.

Riding a hot streak ACC traveled to Pfeiffer where they were again victorious, beating Pfeiffer 10-6 and High Point 10½-9½. Reese Hart put on the best performance of the year coming home with a one under par 70. His round consisted of five birdies, four of which came on the back nine where he drove two of the par fours. He came to the last hole needing only a par for a 69, but his tee shot fell short of the green and he had to scramble for a bogey four. Hot on his heels was James "Rufus" Reel who had a fantastic 73 with three penalty strokes.

Traveling to Appalachian the next day, the Bulldogs were faced with a challenge of the defending conference champions and bent grass greens. The Bulldogs three putted themselves to defeat. The golf squad had a total of thirty three putt greens and three four putt greens as they were defeated 14-10. Gordon Fulp was medalist for AC with a fine 76.

It seems a shame that the students of ACC fail to realize what a strong and powerful team they are fortunate enough to have. The

Bulldogs lack the support which is offered to golf teams that they have humbled their own courses and it seems fit that the student body of ACC should turn out in full force when the linksters entertain ECC here on May the 2. The golf squad needs only a little enthusiasm to carry them to the conference tournament, where they have already been picked as co-favorites to win.
