## A.C. College Welcomes NCAHPER!

### Delegates To NSA Meeting Are Chosen

At the Executive Board meeting held on Nov. 23, Stuart Lee, sophomore president, moved that if the election committee states that a person should vote for the specific number of candidates called for then a ballot would be null and void if it did not have the specific number of votes called for. The motion was defeated after debate had brought the fact that such a motion would take away a person's right to vote for whom he pleased.

Kathy Traylor, junior senator, moved that five delegates should be sent to the NSA Regional Conference to be held at Duke University on Dec. 4-5, and that the NSA Coordinator should pick the delegates. David Webb, junior president, moved a friendly amendment to motion which stated that the Board would give approval of the delegates picked. The amendment was accepted and the motion passed.

The Executive Board meeting held last Monday night opened with Sue Eagles reporting that the Concert and Assembly Committee had sold over 500 tickets for the Swingle Singers with \$100 coming from a donor in Wilson.

Sammy Jones reported that Charles Wolfe, Naomie Holt, Dwight Wagner, Fred Barber, and himself will be the ACC representatives at the NSA Conference at Duke this weekend. He then moved that the Board accept these delegates. The motion passed.

Dwight Wagner reported that ACC would be representing the country of Uruguay at the Model U. N. General Assembly to be held in February.

Corkie Ecklin, Pres. of Men's Dorm. Assoc. moved that the Board make Hackney Hall the permanent home of the Executive Board piano, and that permission to use it would come from the Dean of Men. The motion was defeated. Janice Cousins, Pres. of Woemn's Dorm. Assoc. moved that the piano be placed in Harper Hall. The motion passed.

Hubert Burden, senior president, moved that the Board discuss the possibility of the Board appointing a committee to put up a sign on 301 that stated the location of Atlantic Christian College. Stuart Lee moved that the President appoint two members of the Board to investigate the possibility of signs concerning ACC being erected around and in the City of Wilson. The motion passed.
