

## Record Budget Adopted By SGA

### Purpose Of SGA Stated

By CHARLES WOLFE

As the Student Government Association held its first meeting Tuesday, SGA President Dwight Wagner stated that the main purpose of the student government was to be concerned with the affairs of the students. This was the main theme of Wagner's address which emphasized the hope for better student-faculty relations and also better student-trustee relations. Wagner placed a special emphasis upon the latter, noting that he hoped better communications could be established with the Board of Trustees since they are the main policy making body of the college. He stated that because of poor communications they have never really understood the activities, interests, and desires of the students.

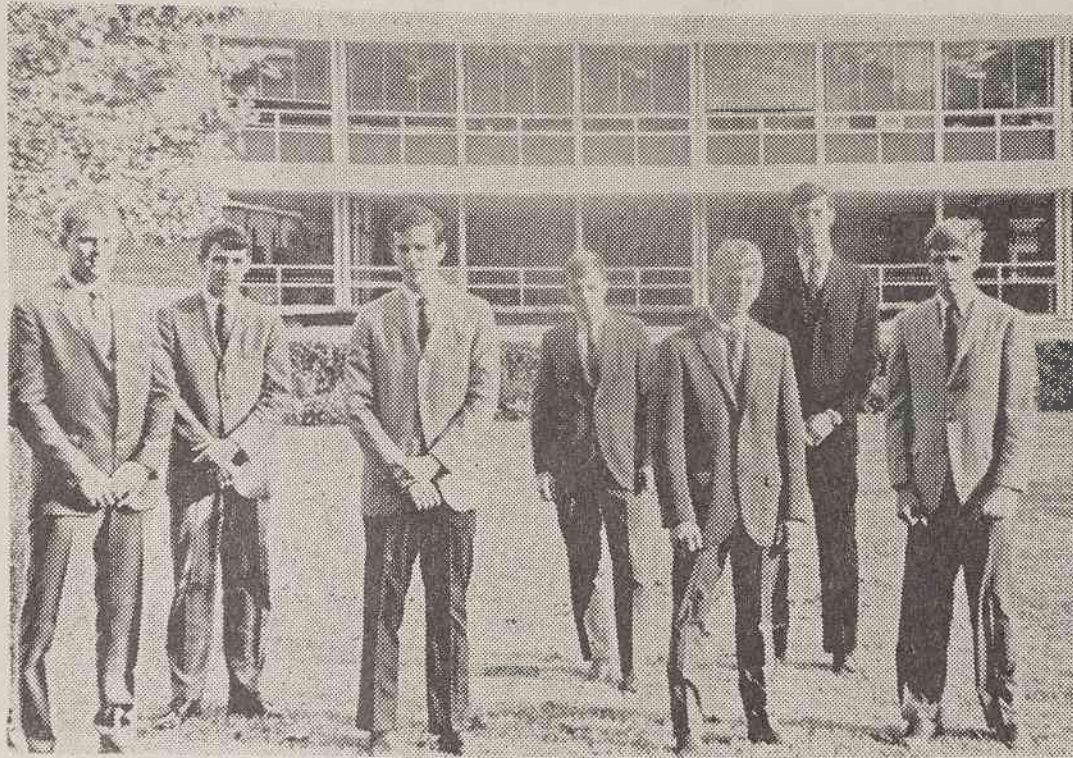

Wagner also spoke concerning the formation of the President's council. He said the purpose of forming this council was so that the presidents of all campus organizations could come together and voice their ideas and opinions concerning campus problems and affairs, thereby creating a better understanding between all campus organizations.

It was noted that in an attempt to create more campus activities the entertainment committee had been granted a larger budget this year. There will also be more campus movies and better assembly programs, said Wanger.

He said we have a two-way relationship in our student government. "Deal with your representatives, talk with them about your ideas, and make known to them your abilities and most of all your willingness to help."

In the realm of new business two proposed amendments to the Constitution were presented to the student body. Students will vote on these proposed amendments next week.

Also presented to the students was proposed the budget for the 1966-67 year which was approved by the Executive Board on Monday night. The proposed budget was accepted by the students. (Details of the budget are printed in the Executive Board story).

FRESHMEN TO THE POLLS — The freshmen of Atlantic Christian College have recently been involved in choosing their representatives to the Student Government Association for the coming year. Their presidential and senatorial candidates are from left to right: Stuart Dudley, Al Cooke, George Owens, Tom Furlong, Chris Murphy, Rick Stallings, and David Finch.

### Executive Board Accepts Largest Budget To Date

The SGA Executive Board spent a long and busy night Monday as it held its weekly meeting. There were several items of business presented to the board. However, the proposed budget for the coming year required the greatest deal of time.

Roger Sin, the SGA Treasurer, presented the proposed budget to the board, and it was approved in the following form: Bohunk, \$178.05; Campus Christian Association, \$1,125.00; Cheerleaders, \$175.50; Freshman Class, \$185.71; Sophomore, \$260.76; Junior, \$452.38; Senior, \$648.70.

Other allotments were as follows: Collegiate, \$3,774.50; Entertainment Committee, \$2,818.06; Concert and Assembly Committee, \$3,000.00; Executive Board, \$3,645.69; Pine Knot, \$7,782.05; Social Committee, \$675.67; Stage and Script, \$2,246.11; with a total of \$26,968.18.

The only changes made in approving the proposed budget was the addition of \$75 more to the Campus Christian Association. This was done by subtracting \$25 from Bohunk, Entertainment, and Social Committees. It was also pointed out that campus movies would come under the budget of the Entertainment Committee whereas last year they came under the Executive Board budget.

In other business the board voted to rescind a motion which was passed last week concerning the Student coordinator. The original intention of the motion was to amend the constitution so as to give the Student Coordinator a seat and voting power on the Board. The opinion was expressed that such a proposed change in the Constitution would not be passed by the

### Dr. Wenger Delivers Address: Emphasizes Goals Of College

By JUDY YOUNGBLOOD

The Fall Convocation of Atlantic Christian College was held October 22nd in the New Gym, under the direction of Chaplain Dan Hensley, Jr. This was the first formal activity held in the new Wilson Gymnasium. Dr. Arthur D. Wenger, President of Atlantic Christian College gave the message for the Convocation, speaking to the some 800 faculty members and students in attendance. The ACC Chorus, directed by Dr. Cobb, provided the appropriate music for this Sixty-Fifth Convocational Service.

Dr. Wenger spoke on the purposes and aims of our institution. He stated that the building program and renovation AC is now undergoing is analogous to the

educational experiences offered by the college. Just as nay building must undergo the 3 basic steps of construction, (1) sight preparation, (2) foundation establishment, and (3) erection of the superstructure, so must all members of our institution undergo these steps. By belief in

### Elevator In Big Hold Up

By MICHAEL ROACH

Look, up in the elevator. It's one, no it's two, no it's three Hilley Hall girls. Yes, three Hilley Hall girls; Chris Angel, Brenda Jones, and Becky Colburn, got the thrill of a lifetime. They were the first girls to ever be caught in the new dorm elevator.

At approximately 7:00 last Tuesday night, the three girls proceeded to retire to their rooms for a night of good, hard studying. The elevator got between the second and third floor and a power failure started the thirty minute "sit-down" on the elevator floor.

The girls immediately pressed the alarm button which brought numerous students to their aid. "Do you know any artificial respiration?" and "How's your air supply?" were some of the common questions which literally brought the girls to their knees.

There was enough power to keep the light and the fan on to lessen the fear of the girls. By 7:30, Mr. Moore came with the key to open the elevator doors. The three seated figures peered down at their large audience and were then helped down to the safety of the second floor.

The three girls will probably be using the stairs instead of the elevator for a few days until the memories of their experience is worn as thin as the soles of their shoes.

God, the acceptance of change, and the commitment of life, our institution is able to offer "free people capable of assisting society."

With this message establishing the purpose of this year's school term, the Sixty-Fifth Annual Convocation assembly was ended. By offering capable people able to fit the realm of society Atlantic Christian College establishes itself as a reputable and knowledgeable institution of higher learning.

### Runoffs Are Necessary In Freshman Elections

A rather uneventful freshman class election entered home stretch Tuesday, as freshmen went to the polls to elect their freshman class officers. At stake were two seats on the Executive Board, as well as the usual class offices.

Although some runoffs appeared necessary on Wednesday, Tuesday Voting gave victories to Al Cooke in the senatorial race, who polled more votes than his other two opponents combined. Final tallies showed 92 votes for Cooke, 50 votes for Rick Stallings, and 38 votes for Stuart Dudley. Danny Brown scored an election victory over his three opponents for vice - president. Brown received 92 votes compared to 28 for Larry Barrow, 34 for Tom Albert, and 26 for Clarence Gault.

Wednesday runoffs will be

### Placement Meeting

Seniors are reminded that a Placement Meeting will be held October 6 in Howard Chapel during the chapel hour for those who will be graduating in January, May, or August.

The main purpose of the meeting will be to disseminate credential materials for placement registration. Seniors will also be informed of the many services offered by the placement service.

Seniors are reminded that there is no charge for placement services, and early registration increases job opportunities.

needed for president between David Finch and Tom Furlong. On Tuesday, Finch led with 76 votes compared with 44 votes for Furlong. Other candidates for president receiving votes were 28 votes for George Owens and 31 votes for Chris Murphy. In the race for secretary, Kay Antone received enough votes to challenge Cheryl (Butch) Gay to a runoff. Gay received 77 votes while Antone received 68 votes. The other candidate in the Tuesday balloting was Betsy Jones who received 35 votes. Runoffs also appeared necessary for Treasurer between Judy Youngblood and Jonnie Bissette. Youngblood tallied 67 votes; while Bissette got 51 votes. Other challengers were Bill Gallagher with 41 votes and Julius Adair with 21 votes.

Elections were preceded on Thursday, September 22, with campaign speeches for President and Senator, who will take their places on the Executive Board Monday, Oct. 3. At the campaign speeches, SGA President, Dwight Wagner, expalined the duties of each office as described in the SGA constitution. He expressed his feelings and observations on previous freshman classes, while expressing optimism at all the Freshman candidates. Wednesday results were received too late to be published in this edition. The new Freshman President and Senator will be installed by President Arthur D. Wenger as soon as arrangements can be made, so they might assume their seats on the Executive Board.

What smile on yon face glows? Tis surely none of fear or woes. She goes to school to learn a craft, And laughs at those who fear the draft. (Miss Betsy Jones photographed by Harold Rogerson)
