## Student Body Approves Budget

By LYNN JOHNSON  
A budget appropriation of \$24,717.3, was approved Tuesday by the student body in the annual SGA Convocation.

The breakdown of SGA funds this year is: Campus Christian Association, \$1,225.00; cheerleaders, \$175.00; "Collegiate", \$600.00; Entertainment Committee, \$4,435.34; Executive Board, \$762.00; Freshman Class, \$194.00; Junior Class, \$415.66; "Pine Knot", \$7,800.00; Senior Class, \$9,982.00; Sophomore Class, \$214.00; Stage and Script, \$2,500.00;

and General Fund, \$485.97. The Social Committee received no appropriation for the year.

Several questions were raised over the proposed budget. Byron Wyndam, president of the Student Government Association, explained in answer to one question that the money appropriated for the classes is computed on the basis of one dollar per full-time student per year. Of this money, one-seventh of the funds goes to the freshman class, one-seventh to the sophomore class, two-sevenths to the junior

class and three-sevenths to the senior class.

The appropriation for the Executive Board is used to cover such operating expenses as lights, telephone and office supplies. It also is used to pay the expenses of student delegates from the college to state-wide meetings such as State Student Legislature.

The General Fund was established last year by the Executive Board in order to maintain a reserve account on the SGA books. The fund was established

(in other words) to cover expenditures which may be unanticipated. The amount of money in the fund was determined by adding all carry over amounts from organizations with the exception of classes and the Entertainment Committee. However, the use of the fund is to be at the discretion of the Executive Board.

According to a reliable source, part of the money in this fund may be given to the Social Committee, which was robbed of funds by the Executive Commit-

tee, to be used for a homecoming dance.

The budget was passed by voice vote over the dissent of a sizable number of negative votes.

Cheerleaders were also elected at this meeting. Those running were: Irma Faye Bond, Myra Price, Dawn Hassell, Carol Conrad, Nancy Morris, Niki Outland, Judy Brewer, and Margaret Crabtree. Those elected were: Judy Brewer, Myra Price, Carol Conrad, Dawn Hassell, Niki Outland, and Margaret Crabtree.

### Clothing Project Planned

Delta Sigma Phi committeemen meet to co-ordinate plans for their Korean Orphan Clothing drive, planned for Saturday, Nov. 2. Committeemen are (front row, left to right) Tom Guertin, publicity chairman for campus organizations, radio and newspaper; Howard Cox, business and churches; David H. Finch, overall chairman and co-ordinator; and Larry Watson, transportation; (back row) Waverly Sawyer, Box and Strapping Committee; Raymond Boykin, Manpower Committee; Mickey Rubenson, Poster Committee; Butch Tillman, television; and Jimmy Vick, dance chairman.

## Delta Sigma Phi Sponsors Clothing Drive And Dance

The first annual Korean Orphan Clothing Drive will be held in the Wilson Community from 9:00 a.m. to 5:00 p.m. on Saturday, November 2nd, this being a project of the Delta Iota Chapter of the Delta Sigma Phi Fraternity whose members with helpers will canvass the city in a door to door collection. Following the collection of the clothes, there will be a dance at a time and place to be announced later. However, it is expected that two well-known bands will be playing so that there will be continuous dancing from 8 p.m. until midnight. Proceeds from the dance will be used to defray the expenses of promoting the program and for shipping the boxes to South Korea where they will be distributed by the Eighth Army under the direction of the Office of the Chief of Staff.

David H. Finch of the Delta Iota Chapter is the director of the program and has also been appointed Coordinator for the effort here at Atlantic Christian College and also at the Rho Chapter of Delta Sigma Phi at North Carolina State University in Raleigh. In addition to these two chapters, four others in Illinois at Western Illinois University at Macomb, the University of Illinois at Champaign, Millikin University at Decatur, and Eastern Illinois University at Charleston, plus the chapter at the University of Michigan will be involved in this year's program which has been entitled, "They'll Know We Care." This year's goal for the seven chapters will be 52,000 pounds of clothing making a total of 137,000 pounds which will have been shipped to Korea during the past six years.

The Korean Orphan Clothing Drive was first held at Western Illinois University in 1962 by the Delta Sig chapter there. Victor Leo was the originator of the project while he was a graduate student at the University.

The first year's drive netted a total of 4,000 pounds of clothing which went to seven orphanages and was distributed by the 7th Infantry Division.

The clothing sent to Korea is distributed exclusively by soldiers of the Eighth Army in orphanages which are completely maintained by the soldiers and by charitable organizations. The children assisted by the project in the past have ranged in age from one year to sixteen years and have numbered over 5,000. Few of the children are true orphans but are children deserted by their parents and in many

cases have been deserted by their mothers because the fathers were American soldiers.

Clothing will be collected in Wilson by members of the Delta Sigma Phi Fraternity and any other persons or groups who might wish to assist them in the effort. It is expected that approximately 150 persons will be involved in the collection with the originator of the project, Victor Leo, being on hand by virtue of a weekend pass from Fort Jackson, S. C. where he is now serving in the armed forces. It is also expected that the International President of the fraternity, the District Governor, Mr. Edward C. Timmerman of Winston-Salem and the entire membership of the Beta Lambda Chapter of Delta Sigma Phi at Wake Forest Uni-
