NUMBER FOURTEEN

Latta: "A Lot Of Dead Wood"

By LYNN JOHNSON

"We have a lot of 'dead wood' on this board already" Latta reported.

In the main business of the meeting, the Board amended the constitution of the Student Government Association to clarify the requirements for candidates for officers of the Student Government.

Candidates

Candidates for President must have completed at least 92 hours, at least 27 of which must have been taken at ACC, and must have a 2.5 on all work attempted at ACC. This average must be maintained throughout his term of office.

Candidates for vice-presidents must have completed at least 62 hours, 27 of them at ACC, and must have a 2.5 average which must be maintained throughout his term of office.

To be eligible to run for the offices of either secretary or treasurer, the student must have completed at least 27 hours and possess a 2.2 quality point average on all work attempted.

Procedures for impeachment of officers was also limited. Impeachment shall be by a two-thirds vote. After the vote to impeach a member, the President of the SGA is to appoint

a Judiciary Board consisting of four students who are not members of the Executive Board and two faculty members.

The president shall appoint one member of the Exec Board who voted in favor of impeachment to act as prosecutor to present evidence against the accused. The accused shall be permitted to provide defense council. A person may be removed from office by a majority of votes cast.

From Table

Jim Abbott reactivated a motion by Joe Harwood to have a committee appointed to present a clear-cut statement on student

rights. This motion was carried.

In other action, a committee to study the lighting on campus was appointed after Jim Abbott reported that the coeds were becoming afraid to walk on campus at night because of the inadequate lighting. Abbott is to head the committee.

Al Cooke announced that Dr. Arthur D. Wenger had appointed Candy Moore, Sammy Carter, Michael Roach and Bonny Lane to the Student Life Committee. The juniors on this committee will remain on the committee for next year.

Executive Board Approves Dates For SGA Elections

By JOYCE COPELAND
Managing Editor

The Executive Board started the spring semester off by setting dates for elections during their Jan. 29 meeting. Finance once again entered the picture as the board allocated \$800 to the State Student Legislature delegation.

Recent amendment proposals to the SGA constitution and by-laws will be voted on Feb. 13 and Feb. 14.

The following dates were approved for the election of SGA officials: filing, Feb. 24, 25; campaigns, March 3 through 10 with speeches March 6; election, March 10, 11; and run-offs, March 12. The dates for petitions concur with the filing dates if the amendment abolishing petitions fails.

SGA officers include: president, vice-president, secretary and treasurer. Editors and business managers for campus publications and head cheer leader will be included on the March 10, 11 ballot. Qualifications for these offices are found in the student handbook.

Election Dates

Dates for the election of class officers include: March 17 through 24, campaigns; March 24, 25, elections; March 26, new officers.

Installation for the SGA officers was scheduled for April 15.

President Byron Wyndham notified the board of a request by publicity director, Milton Rogerson, to appoint someone to act as a liaison to him for the student handbook. The board approved the request and appointed Al Cooke to fill the post.

In the area of announcements Steve Dollar told the board that the spring concert had been

scheduled for March 13. The "Sweet Inspirations" were contracted to perform. Ticket prices had not been set at that time.

A letter from Dr. Wenger explained that student fees will be raised from \$10 to \$12 next year upon approval of the Board of

Trustees. The board had previously requested a \$5 hike. The increase did, however, meet the demands of the board because the Concert and Lecture Committee and the Stage and Script were taken off the SGA budgetary organization list. These two organizations will be funded from other sources.

Student Financial Aid Adds Honor Program

(First In A Series)

It is estimated that 25 per cent of students attending Atlantic Christian College receive financial aid through the institution in one form or another. Financial aid may be granted students through scholarships, loan funds, part-time campus employment, or through federal assistance programs.

The objective of the Student Financial Aid Program at Atlantic Christian is to provide financial assistance to qualified students who would be unable to begin or continue their college education without this aid. Awards are based upon academic promise, applicants' demonstrated need for assistance, and

evidence of good citizenship. Most awards are renewable each year the student remains at the college if the student is making normal progress toward graduation. Students must reapply each year.

Scholarships

Limited scholarships are available in the areas of music, religion and to high school graduates ranking number one or two in their respective classes. Awards in general range from \$100 to \$600 per year.

Honor Scholarships

Beginning with the 1969-70 academic year, an Honor Scholarship Program will be inaugurated. Five scholarships, each with a total value of \$1,500, will be awarded each year. Recipients will be awarded \$200 the first year, \$300 the second year, \$400 the third year, and \$600 the fourth year.

Factors to be used in awarding the scholarships will include: rank in graduating class, SAT score, high school honors, predicted grade-point average in college, and a personal interview. Recipients of the Honor Scholarships must maintain satisfactory academic standing at Atlantic Christian College.

Loan Funds

The college recognizes that students may need to borrow a portion of the funds required to finance an education. College loans are available for students

N. C. Symphony Concert Is Friday

The concert scheduled for 8:15 p.m., Friday in Wilson Gymnasium, will be open to the student body, it has been announced by Dr. James V. Cobb, chairman of the Department of Music.

The N. C. Symphony Orchestra will present the concert. Students will be admitted without charge by presenting their I.D. cards at the door.

Parents Weekend Slated Feb. 15, 16

For the eighth consecutive year, parents of Atlantic Christian College students will be honored during Parents Weekend to be held on the campus, Saturday and Sunday, Feb. 15 and 16. More than 1,000 persons attended the event last year.

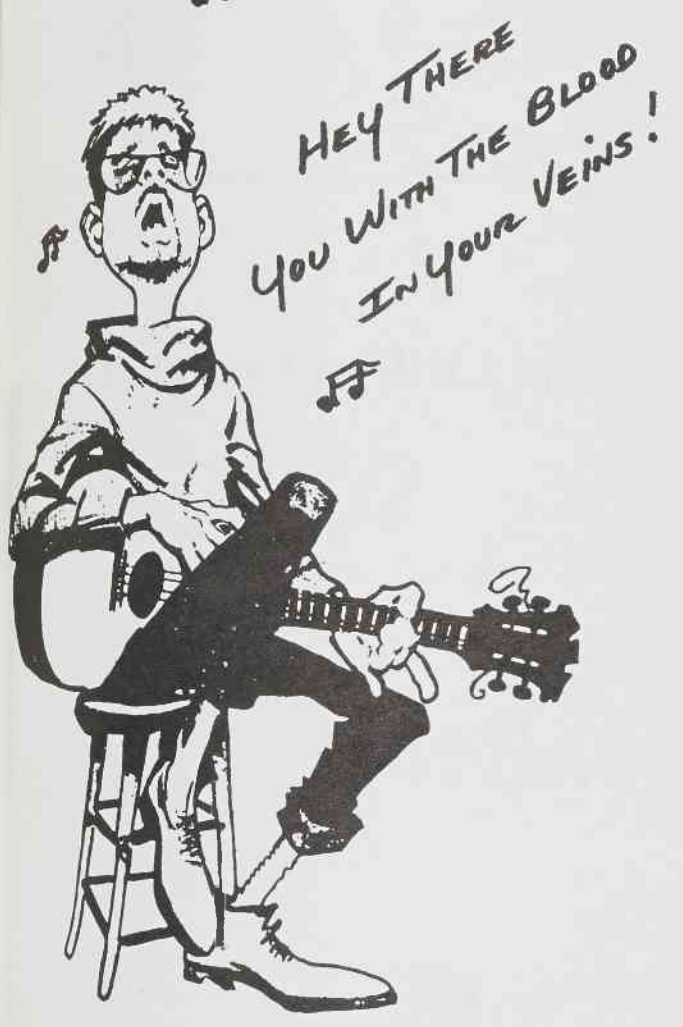

Parents have been invited to arrive on Saturday and see the ACC basketball team in action against Campbell College in Wilson Gymnasium. Game time will be 8 p.m.

Registration will begin Sunday at 9 a.m. in the lobby of the

Student Center and continue through lunch.

The visitors will be invited to attend morning worship services in Howard Chapel. A complimentary luncheon will be held in the Student Center cafeteria. Following the luncheon a program will be held in Wilson Gymnasium.

During the two-day event, parents will have the opportunity to meet members of the college faculty and administration and attend a special campus open house.

COME ON! - GIVE A LITTLE -
AT THE RED CROSS BLOODMOBILE

Bloodmobile Operation Set Thursday, Friday

The American Red Cross Bloodmobile will visit the campus Thursday from 12 noon to 5 p.m. and Friday from 10 a.m. to 2 p.m. Appointments to donate may be made by calling the Red Cross office, 237-2171, which will save

Fraternities To Vie For Donor Honors

In announcing the arrival of the bloodmobile the Red Cross pointed out that there is an Inter-Fraternity competition during the two days. The House which has the greatest percentage of their brotherhood donating to the bloodmobile will be awarded a plaque. This plaque will remain at their quarters until the next bloodmobile visit to the Atlantic Christian campus. Last year, Sigma Pi Fraternity won the Inter-fraternity competition, having 100 per cent participation.

your own time, but walk-ins will be welcomed.

"The blood flowing in your veins is today's most amazing medicine," according to Mrs. M. L. Lang of the American Red Cross, Wilson County Chapter. "It has become a miracle worker, newer in some respects than penicillin. Blood already does more life-saving than any other of our wonder drugs. Even so, we are just beginning to penetrate its warm mystery and to discover how to use blood to save lives, fight diseases and maintain moral health."

Mrs. Lang points out that "Blood and medicines made from blood are already working as jack-of-all-trades. If in one single day you looked in upon Wilson Memorial Hospital, this is what you might see:

"In the hospital's emergency ward, an injection of a clear liquid, which is human serum albumin made from blood, will
