## SGA Begins Year

By JIM ABBOTT

The SGA Executive Board held its first meeting of the year Monday night with President Joe Harwood presiding.

In the first order of business, Harwood appointed Lin Breece and Mike Hughes to serve for one year on the college Athletic Committee. They will be the first students ever to serve on this committee.

Harwood then noted that he is still looking for someone to serve as student coordinator this year. He encouraged board members to suggest names of interested students to him.

In commenting on last May's Board of Trustees meeting, Harwood reported that the Trustees decided to abolish the old convocation system and employ a non-mandatory convocation system beginning this school year.

Under the area of new business, the Board set Sept. 22, as the date for nominating freshman class officers. Elections for Men's Inter-Dorm president and freshmen officers will be held on Oct. 6 and 7.

The final order of business dealt with an upcoming "Presidents to President" conference to be held Sept. 25, 26, and 27 in Washington, D.C. Each invited school is supposed to send the president of the school and the president of the student body as delegates. However, Harwood said that he "would be more than willing to allow some younger student to attend the conference in his place." Ed Harris, Junior Class president, moved that sophomore president Robbie Steen be sent in lieu of President Harwood. The motion passed. The conference will feature speakers such as Secretary of State Williams Rogers, Secre-

## Concert Is Slated

"Big Brother," featuring Ernie Joseph, will present a concert tonight in Wilson Gymnasium from 8 p.m. to 10 p.m.

The gym has been set up so that the audience may sit on blankets on the floor or in the bleachers. No folding chairs will be provided. Tickets will be available at the door.

The ACC Entertainment Committee urges all students to attend. The larger the revenue the committee receives from ticket sales, the larger variety of concerts the committee will be able to present to the student body. Tickets are \$1.50 for ACC students and their dates and \$2.50 for general public.

## Democrats

N.C. Attorney General Robert Morgan speaking at a dinner meeting of the Young Democrats Club last Tuesday said, "I hope I will never see the day when marijuana is legalized in N.C." Morgan pointed out that studies conducted by his office show a definite pattern of marijuana users who later turn to heroin and consequently often have to resort to crime to support their habit.

Morgan delivered his off-the-cuff remarks before some 35 faculty members and students. During a brief question and answer period Morgan said that before 18-year-olds in this state are allowed to vote, the state courts will have to nullify a N.C. statute which sets the voting age at 21.

## Organization Plans Meeting

There will be an organizational meeting of all students who would like to work with "Zero Population Growth" next Monday night. The time and place of the meeting will be announced in the student center later in the week.

Zero Population Growth is an organization composed of students interested in doing something about the many ecological problems facing our contemporary society.

## Play Tryouts

Tryouts for Stage and Script's upcoming production of "Streetcar Named Desire" will be held in Howard Chapel at 7:30 p.m. Sept. 21 and 22.

The cast for the play includes 12 speaking parts and numerous non-speaking parts. No previous dramatic experience is necessary to tryout.

N.C. Attorney General Robert Morgan was guest speaker last Tuesday at a dinner sponsored by the Young Democrats Club. The Attorney General conversed with the club on different issues of interest today. (Photo by Ed Harris)

Alot of help this upperclassman was to the already confused and bewildered freshman...but you might as well start the year of with a bang. (Photo by Ed Harris)

## New Day Lounge

There is a new place on campus and it is located upstairs in Hardy Alumni Hall. It is the all new and recently remodeled Day Student Lounge. This Lounge was especially made for the Day Students but everyone is welcomed. The hours are from 9 a.m. to 5 p.m., Monday through Friday. A desk worker will also be present during these hours.

The Lounge is also available for movies, dances and other types of programming after 5 p.m. Organizations will have the use of spot lights, the Student Center movie projector and assistance by the Department of Buildings and Grounds. The scheduling of any activity must be cleared with Miss Parrish, the Director of the Student Center.

In the back of the Lounge is a

Conference Room for Trustee Meetings. This room is not available to students.

This is something the Day Students have been waiting for and we encourage you to use it and take care of it. The Student Life Division also welcomes any suggestions concerning use and furnishing of the Lounge.

## Exhibition

The "Poetry Forum Poster Exhibition," from Pittsburgh, Pa., will be the opening fall exhibition in the main gallery of Case Art Building on the Atlantic Christian College campus. The exhibition opened Sept. 14 and will close on Sept. 21.

The exhibition is comprised of original posters by nationally-known artists advertising poetry readings of the work of internationally important poets. Photographs of many of the poets are included in the show. Among poets represented are John Barth, John Updike, Lawrence Ferlinghetti, Leonard Cohen, Robert Lowell and Anne Sexton.

In creating the posters, the artists have attempted to capture the feeling of the poets' work in visual images.

Gallery hours are: Monday, Wednesday and Friday, 10 a.m. - 5 p.m.; Tuesday and Thursday, 12 noon-5p.m.; and Tuesday, 7 p.m. - 9 p.m.

## Photographs

Individual photographs for the 1970-71 Pine Knot will be taken in the upper level of the Alumni Building, Monday through Friday, Sept. 21-25, from 9 a.m. until 5 p.m. each day.

Women students will be photographed in drapes which will be furnished by the photographer. Men students are asked to wear coats and ties.

Students will not be required to pay a separate sitting fee as this item is included in student activities fee.

In the Sept. 7, 1970 edition of "Time" magazine, there arose the issue of abortion in New York. Many arguments still are present about the pros and cons of legalizing it. Since July 1, four deaths have occurred in the 16,000 abortion cases and only one could be attributed directly to the abortion.

Since the legalization of abortion has been a recent issue, the question was asked to some ACC students. Of the 30 men and women interviewed only one was against it which was a male. Here are some of the replies preceded by the students initials and classification:

ED.R. senior male: "I am for it because of the population problem. This would be a good way to stem the problem.

D.F.W. sophomore male: "It should be legalized because of the population explosion. There are too many unwed women walking around with babies."

S.C.W. sophomore female: "I think it should be legalized because it should be left up to the individual and not the courts.

P.L.C., senior female: "I think it is very good because if a child is not wanted to begin with, then it should not grow up in an unloved environment."

M.V.R. sophomore male: "I think so because it gives women their freedom and if they don't have their freedom, it is like being in a cell. And, everybody should be free."

R.D.J. senior male: "It is good if used to the benefit of world's population in trying to prevent deformed children and in cases where it is hazardous to the mother."

W.A.S. freshman male: "It should be up to the individual."

J.R., senior male: "Yes, it is up to the women. There are a lot of situations in which it would be bad for both the woman and the child."

J.A.B. Sophomore male: "Women ought not have to be punished because of one mistake."

J.C.C., junior female: "Yes, I think it should be legalized in order to cut down on the population explosion and because I might need it someday."

Here is a freshman who is all set and ready to go but to where! Pretty Sara Kitrell looks like she is really enjoying her first few weeks at Atlantic Christian. (Photo by Ed Harris)
