NUMBER FIFTEEN

Cayton To Run Unopposed

Eighteen Atlantic Christian College students filed recently for the 10 student government offices that will be up for grabs in the SGA elections less than a month away. The filing deadline was 12 midnight, Feb. 21.

Every major office has at least two candidates except the office of president of the SGA. Robert Cayton, a junior, majoring in Religion was the only person to file for president. Cayton is currently serving as vice president of the SGA.

For the first time in recent years, a freshman has filed for the office of Collegiate Editor. Tim Corbett, a freshman from Walstonburg, N. C. is being opposed by Jim Temple, a sophomore from Concord, New Hampshire. Others filing for office are Vice President: Walter Scott and Oscar Mieggs; Treasurer: Wayne Moseley and Andy Gay; Secretary: Mary Sue Richardson, Beverly Smith and Fon Faulkner; Business Manager of Collegiate: Mike Hickman; Pine Knot Editor: Ray Griffin and Joe Collier; Pine Knot Associate Editor: Ann Pinson; Head Cheerleader: Elaine Davis and Jan Mc-

Colman; and Running as Co-Heads: Becky Garrett and Sally Bteth Jones.

For the first time this year students will be able to cast valid write-in ballots. Any qualified student may run and be elected to office even if he hasn't filed, providing he meets the requisite qualifications, according to the revised SGA constitution.

In action taken at the February meeting of the Board of Trustees on Wednesday, Feb. 23, the Board voted to make an exception to existing policy and name the Atlantic Christian College Student Center in honor of Dr. C. H. Hamlin.

The Board also approved the Statement of Student Rights and Responsibilities which was passed earlier by the students and the SGA Executive Board.

Peace Pilgrim Visits ACC

Last Friday, to the delight and enjoyment of many faculty members and students, Peace Pilgrim, a silver-haired woman who in the past 19 years has walked well over 25,000 miles for world peace, made her second visit to our campus. Her last visit to ACC was in the Winter of 1970.

While on campus, Peace Pilgrim spoke to a number of classes and to a very large gathering of students and faculty members at 10 a.m. in Hines Hall. She addressed herself to the crucial issues which she feels are facing the peoples of the world. She admonished her listeners to "awake from our lethargy and push firmly and quickly away from chaos because unless we do take action, all that we cherish will be destroyed in the holocaust which will descend." On the subject of peace, she said one of our first priorities must be to overcome evil with good, and falsehood with truth, and hatred with love.

Peace Pilgrim set out on her "walk" in 1953 with the vow to: See PILGRIM Page 4

Faculty Discusses Parking

The faculty and staff of Atlantic Christian College held their regular monthly meeting last Wednesday and according to Collegiate sources there was quite a bit of debate and discussion regarding campus parking. Several professors argued that faculty members shouldn't have to pay parking fines. Dr. Wenger, however, stated that if students have to pay the fines so should faculty. One faculty member contended that ACC provides the faculty with inadequate office space, inadequate classroom space and that the least the college could do is to provide adequate parking space for its employees.

Bloodmobile

The Redcross Bloodmobile will be on campus March 1, 2 and 3. It will be stationed in the lobby of Hackney Hall. Parental permission slips to donate blood are not required this year as long as the individual is 18 years of age or older. Food and beverages will be available to the donees.

All members of the college community are urged to participate in this life-saving, life-giving program.

Changes For Women Proposed

By JIM ABBOTT

The Student Life Committee met Feb. 17 and made several recommendations for changes in women's regulations. Among the changes proposed were extensions of freshmen curfew hours to 10 p.m. Mon., Tues., Wed. and Thurs. nights; and to 12 midnight on Fri., Sat. and Sunday. It was also moved that first semester freshmen women be permitted to receive blanket permission.

The major changes recommended by the committee affect the housing codes which currently exist on campus. These changes deal primarily with those sections of the housing code pertaining to visitation in off campus apartments. Recommended for deletion was the paragraph which states: "Visitation by members of the opposite sex is allowed in bachelor apartments (men's and women's) between the hours of 6 p.m. and 11 p.m. upon receipt of parental permission for students. Non-student women have the same visitation rights as students."

Dean Ward in explaining the change to the members of the committee said that realistically it is impossible for the college to

enforce this regulation so rather than be hypocritical, it would be in the best interest for the college and students to change the rule.

Dean Whitehurst felt that this would be a difficult rule to change but he noted that he didn't know how the school could control what goes on in the private homes (apartments) of students.

Another area of proposed changes dealt with the prerogative of all students to live off campus when college housing is full, including freshmen women. Mr. Daniell predicted that it would be unlikely that many underclassmen women would have to find off campus housing.

News Briefs

The Atlantic Christian College chapter of the Young Republican Club will meet Monday night, Feb. 28, at 7 p.m. in room 210 of Hines Hall. The speaker for the meeting will be Larry Norman, a student at N.C.S.U. and the youngest candidate for N.C. House of Representatives. Norman will speak on the topic of youth in politics.

The Barbara Berry Singers will perform during halftime at the ACC-Elon game Saturday night in the Wilson gym. Members of the group from left to right are: Marcia Jones, Anne Givens, Barbara Cobb, Carol Blake. Seated is Barbara Berry.

Local Singers To Perform At Game

The Barbara Berry Singers of Wilson have made their first recording. "Restless", an original rock spiritual by Dr. James Cobb and "The Song is Love", a Peter, Paul and Mary song were released this past week on the Kriket label.

The singing group, composed of Barbara Berry (originator of the ensemble) Carol Blake, Barbara Cobb, Anne Givens, and Marsha Jones began singing four years ago when they prepared a program for a local civic club. Their musical backgrounds range from voice and piano majors at Flora MacDonald College and Greensboro College to choral singing at UNC-CH, Atlantic Christian, and Duke. All this comes through now in singing, accompanying and arranging their own songs. They use guitars, piano and percussion, and on the record are assisted by

drums and bass. Baroque Studios in New York cut the record after hearing the group and finding out about "Restless".

"We are extremely excited about our first recording and hope everyone who hears it will enjoy what we have done. The songs we chose are especially appealing to young people. They also give us the opportunity to try some of the sensational new sounds which are so refreshing in today's music," said Barbara Berry.

Students will have a chance to hear the Barbara Berry Singers at half time of the Elon-ACC basketball game Saturday night, and can buy the record of "Restless" in the ACC Bookstore. Featured soloist on both sides of the record is Marsha Davis Jones, a former Atlantic Christian College student.

Sigma Pi Honors 75 Years

Sigma Pi fraternity will be celebrating its 75th anniversary February 26. The Beta Rho chapter of the fraternity here at ACC will mark the occasion with a stag dinner.

Sigma Pi was founded Feb. 26, 1897 at Vincennes Junior College in Vincennes, Indiana. During the past 75 years it has grown to one of the nation's largest fraternity organizations boasting over 125 chapters in the 50 states.

The Beta Rho chapter, composed of about 40 members, recently elected officers for the 1972-73 school year. Elected to office were: Bobby Andrews, president; Danny Smith, vice president; Steve Blanks, treasurer; Jim Shepherd, secretary; Thomas Hodges, sergeant at arms; and Wally Ellsworth, herald.

The fraternity also initiated several new brothers recently: G. W. Gentry, Gilbert Sykes, Donnie McGuire, Eddie Leonard and Tom Williams.

Irvine Honored

At the conclusion of ACC's first Black History Week last Thursday night, the members of the Afro-American Awareness Society, presented to Norbert Irvine, assistant professor of art, a plaque for his dedication and faithfulness.

Irvine, who was surprised to receive the award, was instrumental in creating the events which occurred during Black History Week.

ACC's first Trustee Day proved quite successful in giving students an opportunity to have meaningful dialogue with the twenty members of the trustees who participated. Next week's Collegiate will carry pictures and stories about the event. (Photo by Jim Lowry)
