Members of Circle K Club at work planning their 1st Annual Multiple Sclerosis Walk-a-thon to be held on Nov. 18 at 12 noon.

## Europe, The Common Market, And College Credit!

By RAY GRIFFIN

Last Spring, Dr. Edward Schatz began planning a European study tour for those students interested in studying the Common Market. He was inspired to do so because of the tremendous success of Mrs. Schatz's German study tour during the previous summer.

When the plans for the trip were revealed it was discovered that no girls would be allowed to participate in the program. The reason was, according to Dr. Schatz, that "girls are harder to watch than a bucket full of

fleas." The good Dr. was drawing upon a wise old German proverb. But calm down you woman libbers, women can now go. One of the major reasons for the reversal of decisions was that Mrs. Schatz, who will have another German class studying in Europe next summer, has agreed to help Mr. Schatz "watch the Bucket."

So things seem to be moving along. Persons are now signing up for the trip. The class will be limited to a maximum of 15 students so obviously acceptance into the course depends on a first come — first serve basis. However, Dr. Schatz has noted that if demand for the course is very high, a second 1973 summer semester in Europe might be arranged.

The purpose of the course is to study the economic conditions and business customs in five of the Common Market countries. Those countries that will be visited will be Luxemburg, the Netherlands, Belgium, West Germany, and France.

The cost of this trip is amazingly low. \$600.00 will cover

round-trip air fare from New York City to Luxemburg, housing and food. In order to cut down on expenses while in Europe, the group will be staying at Youthhotels. Youthhotels are very numerous in Europe and are always full of interesting people from all over the world. The great majority of these people are college students and young adults traveling in Europe. Also, an additional \$125.00 must be paid to the college in order to receive seven hours of college credit. It is also advisable to take along at least \$50.00 pocket money with you. So, for \$775.00, you can visit five European nations and receive seven hours of college credit. A bargain in any language.

So, if you are interested in going to Europe this summer to study, see Dr. Schatz as soon as possible. You don't have to be a business major to go either — anyone from business to history to kitty lit can go.

## Albert's Recital

Catherine Albert, soprano, will be presented in a senior recital at 8:00 o'clock Tuesday evening, November 21, in Howard Chapel. Her performance is to include selections from the operas *Carmen* and *Die Fledermaus*, three eighteenth century Italian songs by Pergolesi, and Vier Erneste Gesange, a German sacred song cycle by Brahms.

The second part of the program will feature a trio for voice, flute, and piano which was composed especially for this occasion by Thomas Albert, Catherine's brother. Thomas is an alumnus of Atlantic Christian College who is now a candidate for the PhD degree in Music composition at the University of Illinois. The piece is a descriptive musical setting of "Winter Monarch", a poem by J. Ross Albert. The pianist will be Miss Dorothy Jane Bostick, and Barbara Albert will play the flute.

Following the recital there will be a reception in the Main Gallery of the Case Art Building.

## Faculty Forum Scheduled

The Faculty Forum Committee, a committee composed of faculty representatives from each academic department, will hold the first in a series of open meetings in Hines Hall, room 207-208, on Tuesday, November 28, at 8:00 p.m. Dr. Allan Sharp is Chairman of the Forum Committee. The purpose of the meeting is to open channels of communication between the faculty and students and to establish a dialogue between those two segments of campus life. Mr. Gene Purcell will be present as a representative of a newly-formed committee studying the purpose and future goals of Atlantic Christian. Students, faculty members, and administrators are urged to attend this meeting and to participate in rational conversation designed to alleviate the fragmented atmosphere that too often pervades college campuses.

## Duckworth Honored

Dr. William Duckworth, Associate Professor of Music at Atlantic Christian College has been commissioned by the North Carolina Music Teachers Association to compose a musical work for their 1973 state convention.

The NCMTA, a state division of the Music Teachers National Association, commissions one work each year to be performed at their annual state convention. Duckworth's work will receive its premiere performance in the fall of 1973 at the University of North Carolina at Chapel Hill, the site of the 1973 convention.

## Introducing Peace Pilgrim

You may see her walking through your town or along the highway — a silver-haired woman dressed in navy blue slacks and shirt, and a short tunic with pockets all around the bottom in which she carries all her worldly possessions. It says "PEACE PILGRIM" in white letters on the front of the tunic and "25,000 MILES ON FOOT FOR WORLD PEACE" on the back. She has finished walking those miles, but she continues to walk, for her vow is: "I shall remain a wanderer until mankind has learned the way of peace, walking until I am given shelter and fasting until I am given food." She walks without a penny in her pockets and she is not affiliated with any organization. She walks as a prayer and as a chance to inspire others to pray and work with her for peace. She speaks to individuals along the way, to groups in cities, through the

medium of the news services. She points out that this is a crisis period in human history, and that we who live in the world today must choose between a nuclear war of annihilation and a golden age of peace.

### PEACE PILGRIM'S MAGIC FORMULA

There is a magic formula for resolving conflicts. It is this: Have as your objective the resolving of the conflict — not the gaining of advantage.

There is a magic formula for avoiding conflicts. It is this: Be concerned that you do not offend — not that you are not offended.

### PEACE PILGRIM'S MESSAGE

My friends, the world situation is grave. Humanity, with fearful, faltering steps, walks a knife-edge between complete chaos and a golden age, while strong forces push toward chaos. Unless we, the people of the world, awake from our lethargy and push firmly and quickly away from chaos, all that we cherish will be destroyed in the holocaust which will descend.

This is the way of peace. Overcome evil with good, and falsehood with truth, and hatred with love. The Golden Rule would do as well. Please don't say lightly that these are just religious concepts and not practical. These are laws governing human conduct, which apply as rigidly as the laws of gravity. When we disregard these laws in any walk of life, chaos results. Through obedience to these laws this frightened, war-weary world of ours could enter into a period of peace and richness of life beyond our fondest dreams.

### CONSTITUTIONAL

#### AMENDMENTS

##### GENERAL STATED

1. The vice president of any organization or class which has a seat on the SGA Board must have a grade point average of 2.2.
2. No person can hold two seats on the SGA Board, or hold two offices which could lead to a seat on the Board. Also, no persons can hold a seat on the SGA Board and an office which could lead to a seat on the Board.
3. To make Afro-American Awareness Society a budget organization of the SGA.

## Pi Gamma Mu Induction

By RAY GRIFFIN

Pi Gamma Mu held its fall induction ceremony last Thursday night in Hardy Hall at seven o'clock. New initiates are: Robert B. Cayton, a Senior majoring in History and Religion; Peggy Denton, a Senior majoring in Social Studies; Bill Dodson, a Senior majoring in Political Science; Mona Gardner, a Junior majoring in Social Studies; Ray Griffin, a Junior majoring in Political Science and History; Sandra Huggins, a Senior majoring in Social Studies; Debra Jones, a Junior majoring in Sociology; Francis Moye, a Junior majoring in Sociology; Harrell Stallings, a Junior

majoring in History; and Page Taylor, a Junior majoring in Sociology.

Pi Gamma Mu is the Social Science Honor Society. The purpose of the society is to "improve scholarship in the social studies and to achieve synthesis therein; to inspire social service to humanity by an intelligent approach to the solution of social problems; to engender sympathy toward others with different opinions and institutions by a better mutual understanding; and to supplement and to support, but not to supplant existing social science organizations by promoting sociability and attendance at meetings."
