

Get cash anytime With Your BankAmericard

Get your BankAmericard This Week!

We would like to invite you to try one of the most revolutionary new banking services ever developed. We call it NCNB24. It's our easy to operate cash dispenser that let's you get up to \$100 cash anytime you want — 24 hours a day, 7 days a week. Just think of the convenience. Now you can get cash when you need it and not just during regular banking hours. Our NCNB 24 in Wilson is located at 307 West Nash Street, (within walking distance). An NCNB Student BankAmericard is your key to this exciting new convenience. It enables you to make withdrawals from your BankAmericard account as a regular cash advance, or from your NCNB checking account (if you have one) as you would with a

check. And there are no additional charges for NCNB 24 service. You will be given a personal identifications code so that only you can get cash from NCNB 24 with your BankAmericard. We would like to enable you to use any of our twenty-seven NCNB 24's located throughout North Carolina, but particularly the one in Wilson. And to make it as easy as possible for you to use NCNB 24, we have a special student application. You'll not only be able to enjoy the shopping convenience that BankAmericard affords, but you'll also never have to worry about running short of cash again especially those weekends when something special comes up.
