Bobbie Edwards Elected SGA President

WILL MEWCOEN

Roberta "Bobbie" Edwards, daughter of Maj. and Mrs. Robert I. Edwards of Camp Lejune, NC has been named president of the Atlantic Christian College Student Government Association.

A rising senior, Miss Edwards is majoring in accounting. She is a member of the ACC Women's Basketball Team, the ACC Accounting Club, and the Fellowship of Christian Athletes. She is a member of the United Methodist Church.

Shortly following the beginning of the current academic year Miss Edwards was named as the Atlantic Christian College Homecoming Queen.

Bobbie Edwards, is devoted to helping students become more active in college life.

"Students need to become more aware of the college's activities. They need to get more involved," Bobbie said.

According to her, students also need to express their ideas with the SGA. "We are open for

ideas. We want to please the whole student body but we need student input." Lack of student involvement is the SGA's main problem. Everything that happens on campus affects them and they should be involved.

Carl James, president of the SGA entertainment committee said "Bobbie has a good understanding of the students needs. I think she will strive to get a cross section of student ideas. She takes that in consideration when carrying out her job," he said. According to James she would like to see more togetherness and participation among students.

Miss Edwards stated that the SGA is doing their best to get student interest. "The rest is left up to the students."

Tom Stephenson wished the SGA all the best in the coming year. "I'm happy to see the officers president has graced with the combination of personality as well as competence.

Betty McCain will deliver a speech on campus, Thursday, April 2.

Tuition to Increase

Tuition and fees for the 1981-1982 school year will be increased \$400 per semester, according to Milton Adams, business manager of ACC.

Inflation is partly to blame, according to Adams, but there are other contributing factors.

Tuition will be increased by \$300, to \$1,250 per semester. Room and food costs will be up \$50 each. Room fees will be \$325 per semester and meals \$375. Activity fees will be \$47 per semester, a \$4 increase.

The increase in tuition is mostly because of inflation, but teachers salary raises and cam-

pus utilities are also included, Adams said.

Utilities and fuel costs have forced the increase in room cost.

Gas bills have gone up 40 percent and utilities 30 percent, he said.

Food services asked for an increase to meet contract agreements with ARA.

The increase in activity fees is because of an increase in participation in women's sports and a desire to grant all scholarships authorized by the conference, Adams said. In the past ACC has not awarded all scholarships offered by conference rules.
