The statement included an evaluation of USNSA and a detailed description prepared by a committee of deans and student personnel workers from the American College Personnel Association (ACPA), National Association of Student Personnel Administrators (NASPA), and National Association of Women Deans and Counselors (NAWDC).

Their impartial committee made the following evaluation which was accepted by their organizations at their recent national meetings:

"The United States National Student Association, a national organization of students representing their respective student governments on hundreds of American college campuses throughout the United States, is a representative, democratic, national student organization. In the opinion of your committee it is the most represent ative of such organizations on the American scene.

"The United States National Student Association is not now, nor does it appear to be in danger of becoming communist or left-domi- all. Those who are delegates or alnated. Student Educational **Project Announced**

A new project in international education under Christian auspices has been announced by the Department of Student Work of the Board of Missions of the Methodist

The plan will enable Methodist college students in America to spend their junior or senior year in universities or colleges overseas, Miss Dorothy Nyland and the Rev. R. C. Singleton of the Student Department said.

"This new progrom provides a way for Christian students to share their faith across national boundaries." they said. "It will allow an American student to learn about another culture through personal Over 100 editors and writers from experience and to make his Christmunity overseas.

> "Students are sought who have mature Christian faith, unusual scholastic ability, skills in living and working with people, and a sincere desire to understand persons of different races and cultures.'

The program will be administered by the Department of Student Work, which has office at 150 Fifth Avenue, New York 11, N. Y. Miss Nyland and Mr. Singleton hope to begin receiving applications in September. The first group of students is expected to be approved in January, 1959, and to begin their study abroad in the late summer or fall of 1959.

The plan will provide for the transfer of college credits earned abroad to the student's school in the United States so that he can be graduated on schedule Miss Nyland and Mr. Singleton said. Each student will be expected to pay for his travel, education and maintenance while in school overseas.

The universities overseas in which the program will operate during the first year include the International Christian University, Tokyo, Japan; Philippines Christian College, Manila; University of Hawaii, Honolulu; University of Mexico, Mexico City, and a college yet to be selected in India.

Interested students may write to Miss Nyland or Mr. Singleton at the New York address for further information.
