Did You Know?

(NAPS)—For a free brochure on how to stop annoying itching and scratching using a topical anesthetic cream, write: Lanacane Itch Information Center, PO Box 328-LC, White Plains, N.Y. 10602-0328. Request either a summer or winter brochure, as appropriate.

Bennett Belle pasta-lovers watching their weight can get free information on new reduced-fat versions of favorites by writing to: Contadina Refrigerated Pastas and Sauces, PO Box 94936, Solon, Ohio 44139-1880.

For free information on how you can name a star, visit the International Star Registry website at www.starregistry.com or call 1-800-282-3333.

For a free informative brochure on Master Amino Acid Pattern (MAP), a nutritional supplement designed to enhance muscle endurance, shorten recovery periods after exercise, and increase muscle strength, call 1-800-619-1199.

A dramatic natural phenomenon, lightning, is the number one cause of modem failures. So if you depend on yours, and especially if you live in an area with frequent thunderstorms, it makes sense to consider a modem with built-in lightning protection such as those from Zoom Telephonics.

The most common oversight of weekend drivers is failing to inspect brakes, tires, oil, windshield wipers, head and taillights prior to heading out to a favorite recreation spot.

An array of features on new cars and trucks is making life easier for an important segment of the population. General Motors has programs designed to provide comfortable, convenient, and independent transportation alternatives for the one in five Americans with disabilities.

If your home is in these 10 cities, you have a lot to cheer about. They were named the top ten best sport cities in the United States by The Sporting News. The cities are: Denver, Dallas-Fort Worth, Miami, Chicago, Oakland-San Francisco-San Jose, Detroit, Los Angeles-Anaheim, New York-Long Island-New Jersey, Baltimore-Washington, and Philadelphia.

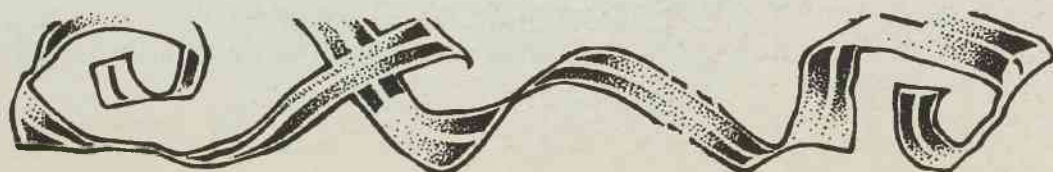

Making your outlets do double duty is one way to stretch available space to the limit. Glade Plugs Extra Outlet is the only electric air freshener that comes with an extra electrical outlet built-in to give you access to all your outlet space.

Scientific research shows some foods may actually act like medicine. Low-fat, high-calcium yogurt contains active cultures that can help strengthen immunity.

If the average worker had kept up with the average CEO, average pay in this country would be \$90,000 a year, or \$45 an hour. Instead, average wages, in real terms, are lower today than in 1973. A prosperous working class is the key to sustained economic growth, believe experts at the United Food and Commercial Workers International Union.

Menu items consumed at Popeyes, the popular fried chicken chain, in 1996 include: 250,000,000 biscuits, 714,000 pounds of shrimp, 1.8 million pounds of Cajun seasoning, and 40,000,000 cups of Coca Cola.

For free information about the National Campaign to Stop Violence and how to introduce the Do the Write Thing Challenge program—designed to encourage young people to express solutions to violence through the written word—in your community, call 1-800-256-0235.
