## Banner Mailbag

letters to the editor

### 'Media Days' guest thanks Mass Comm. department

Thank you for allowing me to participate in what is the beginning of a very exciting and successful annual event at Bennett College.

Unfortunately, I was unable to stay for as long as I was needed, I sincerely hope that I provided a realistic and informational view of what Bennett students can expect.

"Local Media Days 1997: Women In the Media" is an event that is long overdue. Although I have already

graduated [from Bennett], I truly believe that it is this type of commitment that enables students to better understand where they want to go.

Again, I truly thank you for your time and consideration. I look forward to working with you in the future on any events that I may be able to lend my talents.

Sincerely yours,  
Bennett alum Karen Horne,

### Belle who beat the odds receives 'Ideal Award'

Alice Mason gave Bennett College a reason to be proud when she received an Ideal Award from the Bennett College Metropolitan Washington, D.C. Alumnae Association during White Breakfast, at the Washington D. C. Hilton, Nov. 8.

As Alice accepted the award she shed tears of joy, but she was also poised and articulate, when she told the audience how she "beat the odds" and overcame many obstacles. Alice is only one of her 10 siblings and 30 cousins to finish high school, and she was told

that she needed to be in special education.

But she graduated in the top of her class from Duke Ellington High School, which has high academic admission and retention requirements.

During the breakfast, President Scott reminded us that more Capital Campaign funding will continue to develop other Bennett students such as Alice to become phenomenal women leaders.

President
