Bennett Banner 20 Questions

Welcome Bennett Belles to a new feature, the Bennett Banner 20 Questions? These questions seek to answer your thoughts and those things that make you go hmm.

1. Why is the media the last to discover that Whitney Houston is on drugs? *We knew she was on drugs as soon as she married that fool, Bobby.*

2. Why do some Belles who have work-study, neither work nor study?

3. Why does the CFC (Caf Fried Chicken) taste more like re-fried chicken?

4. Why do you need I.D. to get I.D.?

5. Why does it seem like DMX has 10 songs currently playing on the radio?

6. Why hasn't ODB (Old Dirty Bastard) been arrested lately?

7. Why does Player Hall have the best parlor and the least

amount of people hanging out in it?

8. Why does it seem like Jones Hall is turning into the Jerry Springer Show?

9. Why is it that people who are graduating in May say they are dropping out in April?

10. Maybe it's just me, but can't the *Greensboro News and Record* find something else to talk about besides Bennett?

11. Shouldn't there be a "Miss I Just Want to Graduate and Get Outta Here?" Requirements: No leadership skills, no community service, just a strong passion to graduate. *I know the competition will be really tight.*

12. I don't know about you but shouldn't the Bennett sisters stage another protest? This time against Andy from Grand China for discriminating against Merner Hall. *Merner needs egg rolls and wings too!*

13. Is it just me, but shouldn't Spades be made the official

black people's card game?

14. Why does a movie with DMX, Alliyah and Fat Young Chow sound like a really bad idea?

15. Why are the new computers in Pfeiffer Science "like whoa!"?

16. Is it just me or who else wants "Cross Colors" to come back into style?

17. I don't know about you, but shouldn't we be mad that during the Oscars, Billy Crystal called Eryka Badu's head wrap a hat?

18. When will the mass comm. department get finally recognized as the tightest department on campus?

19. Why was Spring Break so early this year?

20. Doesn't it seem like this semester went by way too fast?
