## Chatham of Winston Wins Over B. & W.

Chatham crushed Brown and Williamson in a City League contest at North Junior school Thursday evening, July 12th, by a score of 14 to 2. The Chatham team ran up a 6-to-0 lead in the third inning and it began to appear that rain would cheat them of victory in their fight against the first half champions.

Brown and Williamson tried to help the rain along a bit and seven runs crossed the plate in the fourth inning before Chatham took it upon themselves to retire their own side and save the game.

Steelman held Brown and Williamson to seven hits while his mates raked Phillips and Thompson for fifteen hits.
