

DR. JOHNSON IS PRESENTED GIFT

Popular Elkin Surgeon Leaves Thursday To Take Up New Hospital Post At Hickory

Dr. Harry L. Johnson, who has given up his post as head surgeon and medical director of Hugh Chatham hospital to go to a hospital at Hickory in which he owns an interest, was honored by the Elkin Kiwanis club at a special meeting Tuesday evening in which he was presented a beautiful wrist watch as a token of esteem.

Dr. M. A. Royall, in presenting the watch, expressed the hope that the popular surgeon find a fruitful field wherever he may go and that merited success might crown his efforts.

The loss of Dr. Johnson to the hospital is regretted by each and every employee of the Chatham Manufacturing company. As a surgeon he was known far and wide for his skill and as a man he was admired and respected by all with whom he came in contact.

Dr. Johnson and his family left Elkin Thursday for Hickory.

An Appreciation Of Our Club House

The club house and the advantages which it offer is the greatest gift that could ever be made to the girls of the Elkin Mill. This beautiful building was a gift of Mrs. Thurmond Chatham, for whom the L. H. C. Club was named, which makes it have a greater significance. We are deeply and sincerely appreciative of it.

In Elkin there are very few recreational places for the young people. We find the club house an ideal place to spend an enjoyable evening. We have a library, which contains novels, encyclopedias, sketch books and magazines for those of us who find reading highly entertaining. A radio furnishes instructive programs as well as music for those interested.

For our beautiful club house and things mentioned above, we again express our sincere appreciation. Mrs. Chatham, we are proud of our building, and we'll strive to make our club worthy of it.

MARY ETTA LAFFOON.

BLANKETEERS LICK GREYHOUNDS

Take Advantage of Fair Swaim's Wildness To Mark Up 4 to 2 Tally In Win Column

Taking advantage of Fair Swaim's wildness and slow fielding in the first inning, the Chatham Blanketeers scored four runs and defeated the Greyhound Travelers, 4 to 2, in a Tuesday Northwest League game at Hanes Park yesterday afternoon.

After the first inning, Swaim hooked up with McIlwee, Chatham hurler, in a hard pitchers' duel, with the Greyhound pitcher having an edge in the battle. McIlwee was in hot water several times, but sensational support from his mates pulled him through except in the fifth inning when the Travelers made both their scores. An error paved the way for these runs.

Chatham made their runs in the first inning on walks to Long and Morris, a sacrifice by Plaster, singles by H. Badgett and P. Badgett and a double by Petree. All three hits and the runs were made after two were out.

Greyhound made three singles and an error count for their runs
