Ecusta Is Second In Golf League

The Ecusta Golf Team after nine matches of hard playing and plenty of tough breaks came within three points of winning first place honors in the Western North Carolina Industrial Golf League. Enka, represented by more experienced golfers, was the victori-ous team.

Although the Ecusta boys must remain satisfied with second place honors, there is plenty of credit due them. The loss of their No. 1 Golfer, George Page, and the injury of Bill Daley in the final match would certainly be felt by any team.

Hats off to a bunch of fellows who continued to try their best throughout the entire schedule. More luck and success to the Ecusta Golf Team of 1942.

TENNIS TEAM WINS TWO OUT OF THREE

During the last seven weeks, the Ecusta Tennis Team was able to play only three matches out of which they salvaged two victories. Our loss came at the hands of the Hendersonville Chamber of Commerce Team. Quickly followed by this defeat was a victory over Enka, and on July 26, Ecusta revenged themselves by taking the same Hendersonville Club into camp by the tune of 8 to 1.

The record compiled by the Tennis Team up to date, is four wins and one loss. There are three more matches remaining on the schedule.

Society note: The ladies of the Helping Hand Society enjoyed a swap social on Friday evening. Everybody brought something they didn't need. Many of the ladies were accompanied by their husbands.

Inter-Department Baseball Standings

Old Man Pluvius certainly played havoc with the Inter-departmental baseball during the months of June and July. Only seven games were played out of schedule calling for 21 games.

At the present, Tony Rhodes and his Yard Crew are leading the League with three victories and no losses. This record speaks for itself, but we must remember that the League as a whole is still young and in baseball anything can happen.

NUMBER II FIELD NEAR COMPLETION

The number two baseball field is now on the verge of completion. Tony Rhodes reports that within a few days the new field will be in practically the same condition as the old one. Rain is the only thing that can prevent Tony putting on the final touches.
