

# Ecusta's 2nd Annual Garden Display Was A Big Success

## More Than 1000 Entries In Fair

There were more than 1000 entries in Ecusta's 2nd annual fair which was held in the cafeteria on Friday, September 6th. The exhibits included fresh fruits and vegetables, canned fruits and vegetables and flowers. Besides the many sweepstakes prizes there was more than \$1000.00 won in cash for individual entries. A high spot of the evening's entertainment was an address by Senator Clyde R. Hoey. Mr. Hoey was introduced by our president, Harry H. Straus. They are shown below. Mr. and Mrs. Edward Mackey, who won the electric refrigerator — the grand sweepstakes award, are pictured in the top photo. Other sweepstakes winners and a number of the exhibits are also shown. A special program of entertainment was presented by the Recreation Department featuring the Ecusta Band. Approximately 1000 people attended the show.
