

TO OPEN IN JUNE

(Continued From Page One)

Three of the first activities to start the season moving are the girls' choral school, a band school-camp for the members of the Ecusta Band, and the second annual coaching school for boys. Dates of these events and other information about them will be found in stories on Page 5.

Besides the countless small jobs that have added greatly to the attractiveness of the camp, the following could well be listed under the heading of major improvements and additions:

The athletic field is being reworked and resodded. Over 1,000 feet of drain lines have been installed which will make for faster drying after rains. The field will be graded and grass planted. There will also be new benches for spectators.

The tennis courts are being extended 12 feet each way, thus making room for three double courts on one level and one double and a single court on the other level.

New concrete tables and seats for the picnic area are being made, replacing the temporary tables. A new shelter for the picnic area is also being built so rain won't spoil those outings this summer.

The men's bath house will be renovated. The floor will be raised above the shower level so water will not stand in the dressing room.

A new septic tank is being installed.

The swimming area of the lake is being lowered and will be cleaned out. The sand which was put in the lake last year has held up remarkably well.

In addition to the improvements listed above, the general all-round appearance of the camp has undergone a face-lifting. About 20 acres have been cleared of stumps, undergrowth, snags, and dead limbs. Grass has been sown on the banks and in the immediate area around the lake.

The camp is expected to open about the first of June. A definite announcement will be made in next month's Echo.

Champagne Cards Beat Control For Bowling Honors

In a thrilling finish that had both teams counting pins right down to the final box, Champagne Cardinals captured the 1947 Ecusta Bowling championship by gaining a narrow victory over Control. The margin of victory was by two pins.

The Cardinal victory was a well-earned one as the Control team stuck with them right down to the last pin. High scores for the four games were posted by Charles Colwell, 697; Chris Rogers, 675; Ray Rigdon, 658; and Joe Lavell, 646.

The summary for the season is on this page.

All members of the league are looking forward to the annual bowling banquet which will be held Monday night, March 31, at the Country Club.

The final standings:

TEAM	W	L
Cardinals	46	15
Control	45	16
Champagne "B"	30	24
Research	28	26
Maintenance	26	28
Office "A"	26	28
Refining	25	29
Pulp Mill	24	30
Office "B"	20	34

Bingo Party Enjoyed By More Than 300; Many Attractive Prizes Go To Winners

Approximately 100 Share In Prizes; Easter Gifts Predominate

The Bingo party held in the cafeteria Friday night, March 21, was a successful one with approximately 325 enjoying the evening's fun.

The Easter motive predominated the attractive prizes as baskets, candy bunnies and eggs, azaleas, and other appropriate Easter gifts were given to those holding the lucky cards. Other gifts included aluminum cooking utensils and boudoir lamps.

Among the 100 winners were: Raleigh Waldrop, Bruce Pettit, Bob Sherrill, Ed Matheson, Mrs. Horace DeBord, Mrs. N. L. Ponder, Paul Roberts, Bob Head, Bob Bolt, Joe Duckworth, Chester Wirtz, Lucy Clark, Vergie Fisher, Tommy New, Charles Colwell, C. C. Fenwicke, Virginia Burrell, Mrs. James E. Brennan, Mrs. Jack Rhodes, Mrs. Tom Hargis, Roy King, John Ball, Homer Harris, Bob Levy, Virginia Townsley, Edward Ahrens, and Mary Kilpatrick.

John Jackson, Mrs. Hal Gibson, Mrs. Clayton Gardner, Doyle Wells, Mr. Kenneth L. Barkley, Mrs. John Jackson, John Vassey, Mrs. R. F. Bennett, Lucille Brown, Mrs. L. F. Dixon, Jr., Mrs. Chester West, Mrs. Luke Harrison, Ray Winchester.

Jim Rigdon, Chester West, J. O. Wells, Charles Dunlop, Jimmy Poteet, Mrs. Herbert Finck, Mrs. Carl Hamby, John Goldberger, and Mrs. Roland McCall, Owen Davidson, Hampton Scroggs, Hovie Talley, Paul Bowen, Paul Hooper, and Mrs. Clarence Brown.

Contributions Here Play Big Role In Red Cross Drive

The Red Cross campaign is progressing very satisfactorily and as The Echo went to press, it was apparent that contributions would exceed \$1,000. Showing its sincere interest in the cause, the company will match dollar for dollar the amount given by the employees, thus making the total amount for the company and its employees over \$2,000. The Transylvania county quota is \$4,000.

STORK STOPS

(Continued From Page Twelve) General hospital at Swannanoa. The proud grandfather is Paul Roberts, foreman of the Job Printing Department.

LINDA DEANE NEILL

A daughter, Linda Deane Neill, was born to Mr. and Mrs. L. V. Neill, Route 5, Hendersonville, March 16th, at the Mountain Sanatorium. The new arrival weighed 8 lbs., 2 oz. at birth. The father is employed in the Inspection Department.

RICHARD ENGLISH JONES

The cigars Clyde "Speedy" Jones of the Refining Department was giving out last Monday morning were to let you know that Richard English, a nine pound boy, arrived Saturday, March 22, at the Mission hospital in Asheville. Mother, son, and father are doing fine, thank you.

High Marks Of Bowling Season

Speaker

Dr. Charles A. Shull, above, spoke to the Western Carolina Section of the American Chemical Society at its recent meeting here. Dr. Shull, now retired and living in Asheville, is an eminent plant physiologist.

BOILER PROJECT

(Continued From Page One) means that of the 175 tons of fuel used each day, 50 tons are used for heating alone.

The extension will be 65 feet wide and 70 feet long. The present boiler house is 55 feet wide and 119 feet long so you see the addition will substantially increase the facilities of the boiler house. The wall of our existing building will be removed and replaced with a new wall in this wall will be replaced in the new addition.

It is estimated that completion of the addition will take approximately 250 working days provided there are no unforeseen delays.

Machine Booklet

By MARGARET SMITH

With the coming of spring, the Machine Booklet has decided to come out with a little of this and that from here and there.

They say if March comes in like a lamb, it goes out like a lion. We hope this does not hold true in these cases. With the coming of the March, Louise Souther became Mrs. Cameron Houk and we hope there will be a life of bliss and happiness. A short time after the marriage, a miscellaneous shower was held in her honor at the home of Mr. Houk's mother, and was attended by Violet Lyday, Mrs. Bryson, and your reporter.

Among us here at Champagne are some who are very ambitious. For instance, there are Herb Webb and Buck Albert. Buck is surely destined to become one of Ecusta's best bowlers while Herb is doing a lot of school work through the International Correspondence School. Guy Mull deals in real estate. He and his family recently moved into their new home near Rosman. Ruby Dunn has at last completed her new state and has moved into it.

Carolyn Garren's big white cat died recently from suffocation by sticking its head into a tin can.
