

Minute Interviews

June could very well be called Sapphire Month on the calendar of activities for our employees so this month the Minute Interviewer asked the question, "What activities are you looking forward to most at Camp Sapphire this summer?" and "Are your children planning to attend the programs arranged for them?" to those who had children of that age. The answers of the five interviewed are below:

NANCY OSBORNE, MAIN OFFICE: "My son and daughter are counting the days until Coaching School and Choral School activities begin. We're all looking forward to the 4th of July Picnic, and the many days we will enjoy at Camp Sapphire picnicking and swimming."

GWENDOLYN GILLESPIE, FINISHING DEPARTMENT: "I enjoyed all of the activities last year. I think Sapphire provides wonderful entertainment for us girls who work inside. It gives everyone a chance to get out and enjoy themselves and also to meet many of our fellow workers of Ecusta."

SARA LOFTIS, CHAMPAGNE: "I think it's a wonderful opportunity for our young people to have the advantage of musical instruction this summer in the beautiful, natural setting of Camp Sapphire. I am glad my daughter is a member of the Ecusta band and I'm sure she will enjoy the band camp there this summer. I am also looking forward to the Fourth of July picnic!"

EDITH WRIGHT, FINE PAPER DIVISION: "Picnics, I guess. It's a wonderful place for sun baths, too. I would like to try my luck at fishing this year. I enjoy playing shuffleboard at Sapphire, and also I would like to take swimming lessons there this summer."

VIOLET PATTERSON, END-LESS BELT: "My son and daughter are very enthusiastic about the children's schools. Ann is planning to attend the girls' choral school and Harry is just dying to see how his new trumpet will sound echoing among the hills at Sapphire while he is at band school. And of course, they just can't wait until it's swimming time! I get a

Telephone Changes

Please note the following new numbers and correct all Ecusta directories:

	Residence	Plant
Bradburn, J. H.	-----	354-236

The next time your ironing board needs recovering, tack on the cloth while wet. When it dries, the cloth will be tight and smooth.

big kick out of the softball games and we enjoy picnicking also."

New President

RAYMOND F. BENNETT

Bennett President Of Superintendent's Nat'l Association

Raymond F. Bennett was recently honored by the American Pulp Paper Mill Superintendent's Association when the group elected him president for the coming year. The convention was held in Chicago.

Mr. Bennett succeeds Homer Latimer, of Hamilton, Ohio, director of paper making for Champion Paper and Fibre Company. Mr. Bennett is past chairman of the Southeastern division of the association and has been national vice-president for the past 5 years. Mr. Bennett presided over forums on industrial relations during the convention. Mrs. Bennett served as chairman of the ladies' committee. Lee M. Bauer and Mrs. Bauer also attended the convention. Bauer is chairman of the executive committee and presided over the meeting. He is also one of the officers of the Southeastern division which will have its fall meeting in Asheville, in October.

To cut neat cubes of butter avoid waste, place a piece of waxed paper over the blade of knife.

STORK STOPS

(Continued From Page Thirteen)

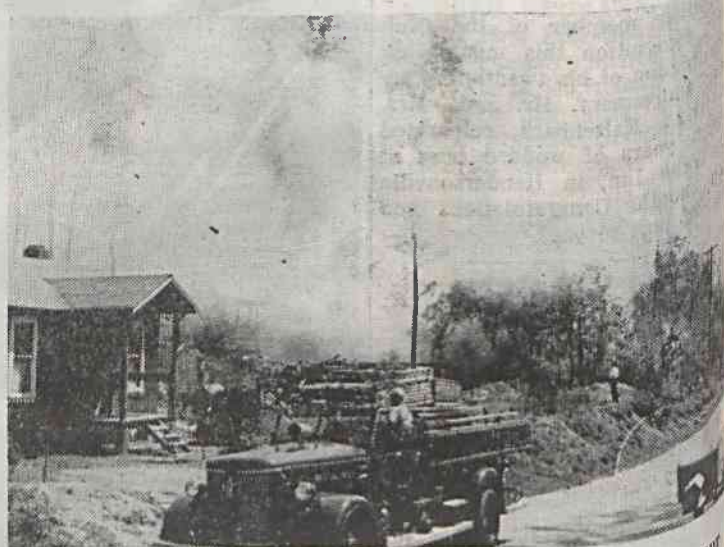

Mr. and Mrs. James Henson May 17 at the Transylvania Community Hospital. He weighed 7 lbs. 8 oz. Father works in Gumming department of Champagne.

LINDA LOUISE SMITH

Mr. and Mrs. James E. Smith are the proud parents of a daughter, Linda Louise, born at the Transylvania Community Hospital on May 19 weighing 7 lbs. 5 ozs. at birth. Mrs. Smith was formerly our Supervisor of Nurses for almost five years.

Gossip is the art of saying nothing in a way that leaves nothing unsaid.

Fast Work Saves Homes Of Ecustans

Thanks to the fast, efficient work of about 25 men from our companies and members of the Brevard Fire Department, several homes were saved recently when a stubborn forest fire in Pisgah Forest threatened to get out of control. The fire came dangerously close to the homes of Hal Keener of the Cafeteria, Homer Geverd of Maintenance, and Vernon Neill, gate watchman. The Brevard volunteer fire fighters ran more than 1,200 feet of hose to Lamb's Creek and pumped water to the fire. The above picture was taken by Raymond F. Bennett during the height of the blaze.
