Sexton's 74 Leads Golf Qualifiers

George Sexton's medal score of 74 is still leading the field in the qualifying round of the Brevard Country club's annual golf tournament. Pete Wright, also an Ecusta golfer, is in second place with a score of 75.

Other Ecusta golfers participating in the tournament are Jack Wilber, Jim Poteet, and Chris Rogers.

The date for the closing of the qualifying rounds has been extended to Saturday, November 8, and the tournament will get underway the following day. This extension was occasioned by the recent bad weather. Golfers may still enter the tournament by calling the country club, Brevard 565.
