

Traffic Manager Bob Johnson

No more natural picture could have been taken of Bob Johnson, our new traffic manager, than one snapped while he was talking on the telephone. He's on the phone a lot untangling our traffic problems. In the series of personnel changes brought about by the retirement of Mr. Walter V. Landeck, Bob has been named traffic manager. A resident of Hendersonville, Bob has been with Ecusta since September 3, 1941.

“Fun Frolics of '48” To Be Shown April 16 & 23

After several weeks of intensive preparations, the “Ecusta Fun Frolics of 1948” is almost ready to be unveiled. The first performance is scheduled for April 16, 8:30 p. m., in the cafeteria, with another one following April 23. With two performances, it is hoped that every employee and his family who wishes to see the minstrel can do so.

The show is sponsored by the Five Year Service Club and is under the direction of the Recreation Department. Approximately 100 employees will take part in the show.

Bill Jordan who has done such a grand job in past shows here, will be the master of ceremonies for the “Fun Frolic”. Appearing in the show will be the Ecusta String Band, a girls' chorus, a girls' trio and the Ecusta Band.

A quiz program, featuring Jack Wilber, F. S. Best, Luke Harrison, and Mildred Scott will be a surprise package and the special act by Red Cagle and Blondy Wilson will be among the most enjoyable stunts of the evening. End men in the minstrel numbers will be Fred Stroup, Burder Teague, Jack Wilber, and Luke Harrison.

Five Year Service Club News

BY Dick Landeck

We have twenty-one employees who are eligible for Five Year Service Club membership in March. In accordance with our regular custom, we extend to them a warm and hearty welcome.

The February issue of The Echo announced that the Five Year Service Club will sponsor a show. This comes to us as the best news yet. There is no doubt that it will be a huge success. Whether or not the Five Year Club sponsors the show means nothing in itself. The fact is that all of Ecusta is behind a project of this sort and that will be the secret of our show's success.

Our Recreation Director pointed out an important fact during one of our recent informal meetings. Talent could be brought in from outside the plant for this occasion but all the outside professional talent would not be worth the final results. We would much rather be surprised at the entertainment which can be offered by our own fellow employees. Some of us are quite natural in our efforts to entertain. With others it is perhaps hidden and must be brought to light through the help of a director, and some of us think we are rather topnotch entertainers, although we really shouldn't even made the slightest attempt at it. At any rate, here is an opportunity to find yourself. If you think that you can sing, dance, act or do anything in the line of entertainment, please make it known at once to your nearest Five Year Club representative or to the Recreation Department and a try out appointment will be made for you.
