

Hello . . .

Introducing a very attractive little lady with a very attractive name—Anna Me-ree Smith—16 months old daughter of Mr. and Mrs. Ralph S. Smith. Anna Me-ree's daddy is in Inspection. Isn't that ribbon cute?

"I live in Hendersonville and my daddy works in the Main Office at Ecusta" could well be the caption of this picture if Harry Frederick Byers, Jr., 21 months old son of Mr. and Mrs. Harry Byers, had written it. Like most boys his age, Harry, Jr. is quite a rounder, learning new things daily and constantly exploring previously unexplored territory.

Here are the two fine children of Mr. and Mrs. Bob Jennings of Inspection. The little daughter's name is Doris Ann and she is 15 months old. Billy, 4½, is rapidly advancing to that age when Bob and his wife will be seeing him off to the school for the first time.
