

# Know Your Company Quiz . . .

(1) Can you come within 100 of guessing the number of members in the Five Year Service Club?

(2) Who won the Harvest Festival last year and when will this year's be held?

(3) How many names of Ecustans are on the beautiful new memorial plaque at Camp Sapphire?

(4) What is the daily capacity of our filter plant?

(5) When will Ecusta observe the 10th anniversary of its operations at Pisgah Forest?

## ANSWERS

(1) There are more than 1200 members of the Five Year Service Club at present.

(2) Mr. and Mrs. Andrew Harrell (Filter

Plant) won top honors in last year's Harvest Festival. This year's Festival will be held Friday, September 3, in the cafeteria.

(3) Sixteen names of Ecustans who gave their lives in World War II are inscribed on the plaque in Memorial Grove at Camp Sapphire.

(4) Our filter plant is capable of handling 25 million gallons of water daily. It is the second largest in the south, being exceeded only by the municipal plant at Atlanta, Ga.

(5) Since Ecusta made its first paper the day Germany marched into Poland, September 4, 1939, that same day in 1949 will mark the completion of ten years at Pisgah Forest.

It is estimated in the course of a six-man bowling match the pin boy will have picked up almost 30 tons of maple.

## TAKE OUR PICTURE . . . .

. . . . And that's just what the Echo photographer did the other day in the Finishing Department. The photograph was taken in a box car which the men were loading with our paper. Left

to right, the men are Jack Smith, Albert Jones, William C. Walker, Edward Bell, and S. T. Galloway. Mr. Bell had the honor of being the 1000th member of the Five Year Service Club.
