**REFINING**

The two bowling teams featured this month are the Champagne Cubs and the Refining Beatermen. The Cubs were tied with the Champagne Cardinals for the League's leadership as of November 10th; although the Beatermen aren't in the first division of the standings they are capable of giving their opponents plenty of trouble. The Cubs pictured on the left, top to bottom

are: Captain Walter Green, Frank Israel, Conrad McClure, Harold Misenheimer, Bill Ball and Goode Loftis. The Refiners on the right, top to bottom are: Captain Bill Henson, Jack Rhodes, Thad Newman, Crockett Matthews, Elmer Baker, Rupert Gordon, Al Montville and Clyde Jones. Earl Gray was absent when the photo was taken.
