

Family Album

We have often been told that behind every man's labor is an inspiring influence. This is certainly true in the case of De Leon Taylor who is shown at the left coming out of the gate after a day's work in the Inspection Department.

We believe that the inspiration back of De Leon's labor is shown below in the family portrait. Pictured left to right are Edmond, whose age is 11, Mrs. Taylor, Evelyn, who is 7 years old, and little Tommy whose age is 2.

The Taylors live in the Turkey Creek section on the Asheville highway. De Leon has been with us at Ecusta for seven years.
