

Pictured at right is Mrs. Ben H. Bishop. She is the former Roanell Stepp, and is employed in the Finishing Department. Ben is employed in the Inspection Department. They were married at the home of Rev. Paul Balenger, of Mills River, on Thursday, November 25th.

Miss Jean Hall, daughter of Mrs. Billie Hall of New York City, was married to Fred Southerland, Thursday, November 11th, at the North Avenue Presbyterian Church of Atlanta, Georgia. The Rev. Vernon S. Broyles, pastor, officiated. Mr. Southerland is the son of Mrs. D. W. Southerland and the late Mr. Southerland of Willard, N. C. He is employed in the Finishing Department.

Five Year Service Club News

By Dick Landeck

Ecusta will soon embark upon its tenth year of successful operation. Many of us have witnessed the remarkable growth of our mill since the first machine began to produce fine cigarette paper in September 1939. Much progress and few errors have been made since that day. Those of us who have elected to remain and share in the progress of Ecusta do not regret our choice. We are employed the year round. Our fellow workers are our next door neighbors. We live in a veritable vacation land which abounds in scenic beauty. Transportation to and from work is a far cry from the crowded busses, subways and traffic congested highways of the metropolis.

Some of us are fortunate in our possession of farmland nearby. We live individual lives, yet we work as a well equipped, well organized team. Measure your gain in plain everyday living. The result will surprise you.

The Five Year Service Club welcomes into its ranks the following new members: Richard W. Pace, Maintenance; Fred W. Brown, Champagne; Cecil Camp, Inspection; Margie E. Elliott, Endless Belt; C. Emmitt Reece, Power; Robert E. Galloway, Inspection; Charles J. Grant, Main Office; Mary J. McCall, Finishing; Rex Huntsinger, Yard Crew; Ruth H. Pace, Finishing; Clyde W. Murray, Yard Crew; Letha D. Beal, Endless Belt; and Charlie Watson, Yard Crew.
