

VISITORS

During the past weeks, visitors to Ecusta have been many. On the page at the left are some of our more recent ones. In the top photograph standing between Arthur Loeb and Bob Matthews, are Doctors F. R. Darkis and E. J. Hackney. Dr. Darkis is Research Director at Liggett and Myers Tobacco Company. Dr. Hackney is a member of the Research Department of the same company.

In the photo at left center is Mr. John Fulton of Chicago, Ill., who visited Ecusta on January 11th and 12th. Mr. Fulton is the Executive Secretary of Industrial Recreation Association. While here, he and John Eversman, a director of the Association, made plans for the Southeastern conference, which will be held in Asheville from March 31st through April 2nd. The conference will be under the joint sponsorship of the Industrial Recreation Association and the Industrial

Recreation Division of the North Carolina Recreation Society. John Eversman and Jimmie Chambers, Director of the Valdese Community Center, are co-chairmen of the arrangements committee.

In the photo at the bottom of the page reading from left to right, are: Mr. Meir S. Abraham of London and Baghdad, Iraq, George A. Arbogast, and M. Leonard Bauer. Mr. Abraham was a recent visitor to Ecusta and had intended to stay for only one day but liked Western North Carolina so much that he had his wife and daughter come down from New York to spend a week with us.

The photo above shows five officials of the Tennessee Valley Authority who visited Ecusta and Camp Sapphire on January 18th. Shown from left to right: Mr. J. Ed Campbell, Mr. L. P. Ferris, Dr. E. L. Bishop, Mr. Frank Gartrell, and Mr. H. K. Menhinick.
